Literacy skills

Nursery

Our Nursery students explored the **letter I** with excitement. They learned the /i/ sound through fun phonics activities. They identified words like *ice cream*, *igloo*, and *insect*. They enjoyed tracing and recognizing the letter I with confidence.

Jr.KG

Our Jr. KG learners had a wonderful time exploring the **letter P**. They practiced its sound, recognized words like *parrot*, *pig*, *pizza*, and *penguin*, and enjoyed engaging activities that strengthened their letter recognition and writing skills.

Building skills, shaping futures

- ❖ Phonemic awareness
- ❖ Vocabulary enrichment using picture and object identifications.
- ❖ Confidence in oral communication.

Sr.KG

Learning the **Letter Q** was a fun-filled experience! Our young learners listened, spoke, and identified initial /q/ sound in words through engaging and playful activities. They enjoyed exploring new words like *queen*, *quilt*, and *quail* while building confidence in their phonics skills.

Nursery

Shape sorting helps students learn different **shapes**. They **match** and **group** shapes correctly. This activity improves observation and skill. It also builds a strong foundation in early math.

Math-O-Logic

Small steps, Strong skills.

- ❖ Forward and backward number sense
- ❖ Shape recognition and identification
- ❖ Classification and Observation skills.

Jr.KG

In Math Jr. KG students learn about the **semi circle shape**. A **semi circle** is half of a circle. It has one curved side and one straight side. This activity helps children understand shapes and early math concepts.

Sr.KG

Sr. KG students learn **forward and backward** counting in Math. They practice numbers in the correct order and reverse order. This activity improves counting and number recognition skills.

Number Explorers

Math Fun

Discovery Station

Nursery

Our little learners explored the **orchard and veggie patch** with joy. They learned about **fruits, vegetables, and plants** while enjoying a fun-filled nature activity.

Jr.KG

Our Jr. KG learners explored the fascinating **life cycle of a butterfly**. They discovered the four stages of its life: **egg, caterpillar, chrysalis, and butterfly**. Through this engaging activity, children observed how the caterpillar transforms into a chrysalis and finally emerges as a beautiful butterfly. This hands-on learning experience helped them understand growth, change, and the wonders of nature.

Strong concept, strong foundations.

- ❖ Understanding of symbols and flags
- ❖ Scientific curiosity
- ❖ Identification of fruits and vegetables

Sr.KG

Red, white, green, and black, we make flag bright.
Jordan's flag shines with a star of light.
A symbol of pride, love, and peace we see.
My handmade flag shows Jordan's beauty.

2

Our little explorers discovered that some **vegetables grow beneath the soil**. A fun-filled activity that sparked curiosity and made learning exciting!

Our curious learners explored the world around them and discovered the difference between **living and non-living things**. Through a fun and engaging activity, they learned that living things grow, breathe, and need food and water, while non-living things do not.

Little Explorers

3

Tiny fingertips blossomed into little artists as our Sr. KG learners painted vibrant **Qataf flowers**, turning every colorful dot into a beautiful bloom of creativity!

Developing skills with Joy

- ★ Nature and environmental awareness
- ★ Sensory development
- ★ Curiosity and inquiry-based learning.

Move, Play & Grow

Let's Play!

Nursery

Our little learners had fun **walking on the letter "T"**, building letter recognition, balance, and confidence—one happy step at a time!

Jr.KG

With every **toss** and every **catch**, our Jr. KG stars built focus, coordination, and confidence while enjoying a fun-filled learning experience!

Developing skills with Joy

- ❖ Gross motor skills
- ❖ Flexibility and Balance
- ❖ Physical Fitness

Sr.KG

Our Sr. KG learners stepped, balanced, and explored as they **walked on different shapes**, making **geometry** fun while building coordination and confidence!

Nursery

Our Nursery learners brought **sight words** to life through **music, movement**, and playful repetition! As the words appeared, the children sang, clapped, danced, and moved along while recognising and reading them. This joyful, interactive activity made **sight-word learning** engaging, memorable, and fun, while helping children build early reading confidence and word-recognition skills.

Performing Arts

Rhythm

Jr.KG

Our Jr. KG little ones buzzed, fluttered, and hopped like **tiny insects**. A joyful dance filled with imagination, movement, and smiles! They explored the wonderful world of insects through rhythm and creative expression.

Sr.KG

Our Sr. KG stars added colour and rhythm to the day with lively **Mexican dance** move. They twirled, tapped, and danced with joy, confidence, and cheerful energy.

Beats

where skills meet creativity.

- ❖ Rhythm and beat recognition
- ❖ Musical awareness
- ❖ Fine and gross motor skills

नन्हे-मुन्नों ने खेल-खेल में 'क' वर्ण से दोस्ती की।
चित्रों, ध्वनियों और मजेदार गतिविधियों के माध्यम
से बच्चों ने 'क' को पहचाना और बोलना सीखा।

भालू आया संग 'भ' की पहचान, सीख बनी बच्चों
की मुस्कान। खेल-खेल में नन्हों ने वर्ण से शब्द तक
का प्यारा सफर तय किया। मस्ती और रचनात्मकता
के साथ सीखना बना और भी खास!
