2

Little learners used blocks to construct the **letter Z**, making letter recognition a fun and hands-on experience. Through building and exploring, they strengthened their creativity and fine motor skills.

Building skills, shaping futures

- ❖ Letter recognition
- ❖ Fine motor skills
- ❖ Letter formation
- ❖ Hand-eye coordination
- ❖ Spatial awareness

Sr.KG

3

Little learners picked up the **letter P** through flashcards, spotted P-words, and brought their learning to life by writing them neatly in their notebooks. A playful blend of recognition, recall, and writing practice.

Nursery

Little learners **counted** objects from 1 to 5 and **matched** them with the **correct numerals**. Through this playful, hands-on activity, they strengthened their number recognition, counting, matching, and one-to-one correspondence skills while enjoying a joyful learning experience.

Math-O-Logic

Small steps, Strong skills.

- ❖ Early numeracy skills
- ❖ Fine Motor Skills
- ❖ Conceptual understanding of fractions
- ❖ Understanding of geometric concepts

Jr.KG

Little learners stretched rubber bands across the geo board to build and explore different **shape**. A hands-on activity that turned simple pins and bands into creative **patterns**.

Sr.KG

Children explored the concept of **fractions** by dividing wholes into equal parts. Through hands-on learning, they understood halves, quarters, and how parts make a whole. It was a fun way to make maths simple and meaningful.

Number Explorers

Math Fun

Discovery Station

Nursery

Children explored the different types of **pollution—soil, air, and water**—and learned how pollution affects our surroundings. Through a hands-on activity, they identified simple ways to keep the environment clean, safe, and healthy.

Curious Minds

Jr.KG

Children explored what makes **birds** different by observing their **colours, sizes, beaks, feathers, and wings**. They discovered how these unique features help birds fly, find food, and live in different surroundings. The activity encouraged curiosity, observation, and a love for the wonderful world of birds.

Strong concept, strong foundations.

- ❖ Curiosity and Exploration
- ❖ Historical awareness
- ❖ Environmental awareness
- ❖ Awareness of birds and their features

Sr.KG

Children explored ancient **Egypt** and learned about **hieroglyphics**. They solved a fun worksheet by identifying and decoding the symbols. The activity sparked curiosity and made history exciting to learn.

Nursery

Our little learners stepped outside to observe and understand **basic traffic rules** as part of the theme "**Wheels and Wings**." They explored road signs, practiced safe crossing, and learned the importance of following traffic signals. This real-world experience made learning practical, engaging, and meaningful.

Every Theme, A New Adventure

Little Explorers

Jr.KG

Our little learners explored different things that fly, such as **birds, kites, aeroplanes**, and balloons, as part of the theme "**Things That Fly**." They identified each one and discovered how different objects move through the sky. The activity sparked curiosity and made learning about the world around them exciting and meaningful.

Sr.KG

Children explored **African animals** by observing picture cards, flipping them, and matching each picture with the corresponding rubber animal as part of the theme "**Around the World**." The activity made learning interactive, exciting, and hands-on while helping children connect pictures with real-world objects.

Developing skills with Joy

- ❖ Road safety awareness
- ❖ Cognitive and thinking skills
- ❖ Curiosity and awareness of the world around them

Move, Play & Grow

Let's Play!

Nursery

Our little learners observed a **garbage truck** and learned how waste is collected and taken away. They discovered the importance of keeping our surroundings clean and disposing of waste responsibly..

Jr.KG

Children explored fun **bird-inspired yoga poses**, imitating different birds through movement and balance. The activity encouraged flexibility, coordination, and joyful learning.

Developing skills with Joy

- ❖ Gross motor skills
- ❖ Flexibility and Balance
- ❖ Physical Fitness

Sr.KG

Children discovered **Australian-animal yoga poses** through fun and mindful movements. They stretched, balanced, and strengthened their bodies while enjoying a joyful journey "Down Under."

Nursery

Children enjoyed colouring a **zebra crossing** worksheet while learning about safe road-crossing habits. The activity combined creativity with an important lesson in road safety.

Performing Arts

Rhythm

Sr.KG

Little learners stepped into the roles of **zookeepers**, **timekeepers**, and **veterinarians** during a fun pretend-play activity. They learned how each role helps keep the zoo organized, safe, and caring for its animals. Through role play, they developed teamwork, communication, and responsibility.

Jr.KG

Our little learners explored the Mind Magnet activity through playful challenges and problem-solving. They made connections, sharpened their thinking skills, and enjoyed learning through hands-on exploration.

Where skills meet creativity.
