"A Place to Learn; A Space to Grow"

STEM Quiz 3.0

December 25, 2025

The Gujarat STEM-Quiz is a unique activity that combines education, fun and competition. It has been designed keeping in mind to inculcate informal science learning. The vision of Gujarat STEM-Quiz is to provide an intensified impetus towards STEM enthusiasm in students. It promotes participation, knowledge and awareness on STEM in students of the State. It is organized for the students of classes IX to XII.

APS Mundra participated in STEM Quiz 3.0 (2024) organized by Gujarat Council of Science and Technology (GUJCOST). There were different levels Taluka, Zonal, State and National level. The first level (Taluka level) was online and 11 students from Mundra Taluka were qualified for the Zonal level. Proud to share that out of 11 students four were from Adani Public School.

Sr. no	Name of the student	Class
1.	Ashwini Gaurav	XII A
2.	Harsh Sadanshiv	XII A
3.	Ayaan Hussain	X A
4.	Ashish Gaurav	X A

Three of the above students participated in Taluka level STEM Quiz held on December 25, 2024 at Regional Science Centre, Bhuj. Once again, our young ADANIANS rocked. Master Ashwini Gaurav and Master Ashish Gaurav were selected for the State level. Master Ayaan Hussain stood fifth and got telescope. Master Ahswini Gaurav bagged a trophy as he was also selected for the studio round and Master Ashish Gaurav bagged a medal.

Congratulations to the winners! Your hard work and dedication have truly paid off.

Visit to Adani Thermal Plant

January 2, 2025

A team of our four students, Master Keyan Khatri (class XI), Master Dhruvansh Mankad (class X A), Master Jaydev Parmar (class VIII D) and Master Dhairya Upadhyay (class VIII D) along with their teacher Ms. Dhvani Buch visited Adani Thermal Power Plant. They visited the Thermal plant as a part of their space project 'VikramSat'. They gained valuable insights into environmental monitoring and regulations. Students also learned about water quality testing and the plant's coal processing to energy generation operations. Special thanks to Adani Group, School Management as this opportunity gave our students a chance to share their ideas and learn new things.

First Aid Training

January 3, 2025

With an aim to inculcate first aid skills in transport department, our (Principal - cum - Director) Mr. Hemant Kumar Sharma organized a one-day training session on first aid for bus drivers and helpers. Ms. Munira Khoja, nurse of Adani Public school took the session. She explained and taught them the various techniques of first aid. She covered the following points in her training:

Steps of first aid for:

- Cuts and wounds
- Sprains
- Nose bleed
- Fractures
- Burns (Types of burns)
- Animal bites
- Snake bite
- Common household poisons

In addition to the first aid training, she also gave the basic CPR training and explained the important steps to be taken while giving CPR.

Pre - Primary Concert

January 4, 2025

The Pre-Primary section of Adani Public School presented a mesmerizing concert, "TARANG - Waves of Rhythm," on January 4, 2025. It was based on the theme of ocean. The event was a spectacular display of music, dance, and drama, showcasing the talents of our young students.

The ocean theme was beautifully woven throughout the performances, highlighting the importance of marine conservation and the wonders of the underwater world. The caption, "TARANG – Waves of Rhythm" was aptly chosen for the theme.

Dance Performances: The children enthralled the audience with their energetic and synchronized dance performances, depicting ocean waves, sea creatures, and marine life.

Skit : The students confidently performed skits, showcasing the importance of ocean conservation, the impact of pollution, and the beauty of marine life.

Anchoring: The announcements stole everyone's heart when the toddlers spoke with confidence and introduced their acts. The coordination between the teachers and students was unmatched.

Highlights:

- The concert was attended by approximately 500 parents and guests.
- The students' enthusiasm and energy were palpable throughout the event.
- The teachers and staff worked tirelessly to ensure the success of the concert.
- The event concluded with a powerful message about the importance of protecting our oceans and marine life.
- The event ended with a finale 'The Fashion Show'. All students walked up the ramp with great poise and style.

The Pre-Primary concert, "TARANG – Waves of Rhythm," was a resounding success, showcasing the talents and creativity of our young students. We are proud of their achievements and grateful for the support of our parents and staff.

Pre - Primary Concert

Co-Curricular Activity

January 4, 2025

Co-Curricular activities add balance to student's life and facilitate physical, emotional and cognitive development in kids. CCA Team planned many activities for classes III to VIII. It was carried out during their regular CCA periods.

Classes III & IV

Winter Wonderland

Students made snowman and snowflakes using different materials like white paper plates, buttons, craft paper, popsicle sticks and decorated it with glitter and shiny paper.

Winter Wonderland

Classes V & VI

New Year's

Resolution Tree

Students of classes V and VI wrote their goals and resolutions for the new year on colourful paper leaves. They decorated the leaves and then attached their leaves to a tree poster symbolizing their growth and aspirations for the new year ahead.

New Year's Resolution Tree

Co-Curricular Activity

Classes VII & VIII Time Capsule

Students of classes VII and VIII wrote notes about their favourite moments from the past year and their hopes for the coming year. They then placed these notes in a time capsule, which they would open at the end of the year.

Classes VII & VIII Time Capsule

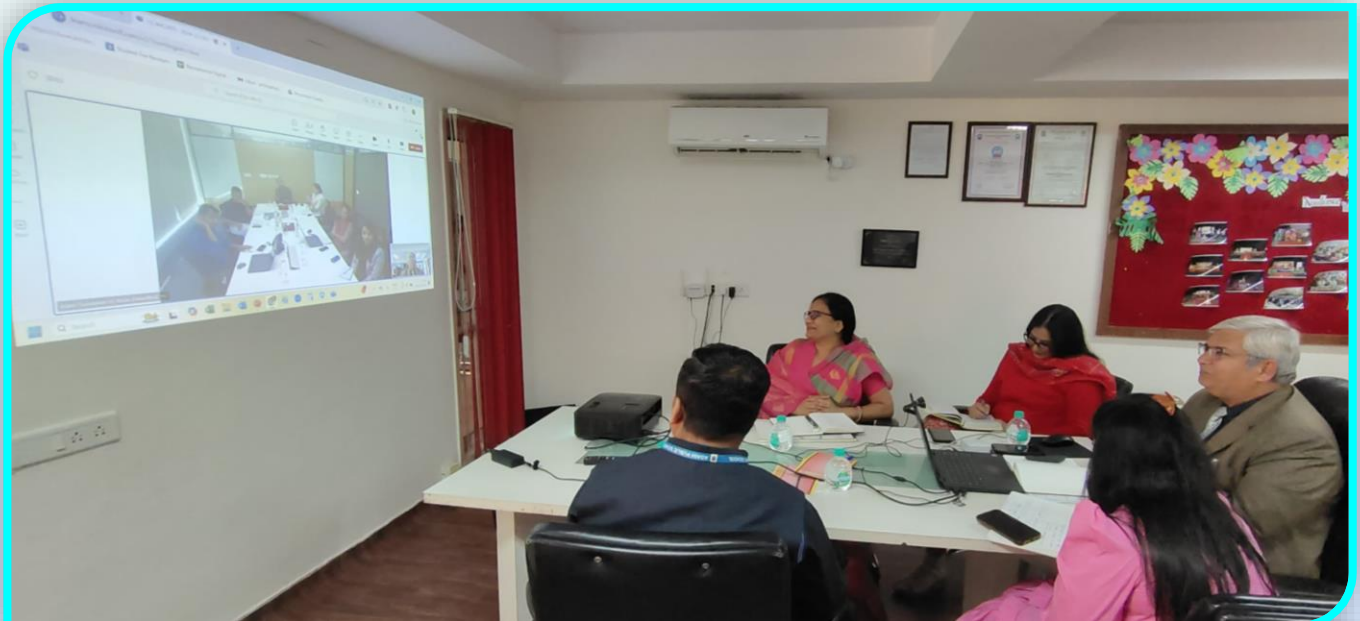

Internal Management Committee Meeting

January 6, 2025

Internal Management Committee Meeting of APS was held online on January 6, 2025. The objective of the meeting was to oversee the development and implementation of school's academic progress and policies. The IMC meeting is a crucial part where all stakeholders openly discuss the USPs and this time the focus was on 'Benchmarking'.

Principal Mr. Hemant Kumar Sharma shared the presentation with the Committee members and discussed about the school operations, staff operations, students achievements at district, state and national level. He also discussed about the development and the upcoming plans. Any developments from the last meeting are brought to light and also the actions taken are highlighted during the session.

Birthday Celebration of Meeta Ma'am

January 6, 2025

APS celebrated the birthday of Honourable Director Kutch region, Ms. Meeta Jadeja on January 6, 2025. (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar along with all the coordinators and the staff members wished Ms. Meeta Jadeja 'Happy Birthday' and gifted her the birthday card sharing her memories with APS as a token of love.

Ami Madam's Birthday

January 18, 2025

APS celebrated the birthday of (Director, APS) Ms. Ami Shah on January 18, 2025. A video showing her journey with APS compiled beautifully by IP team was presented. (Principal-cum-Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar wished Ms. Ami Shah 'Happy Birthday' and gifted her the birthday card as a token of love.

Fire and Safety Training for Bus Drivers

January 7, 2025

The Department of Fire Safety APSEZ conducted Fire and Safety training for the bus drivers and helpers (46 employees) on January 7, 2025. Mr. Mayur Rana, Safety head conducted the training at Adani Port, Mundra. He explained them the measures to prevent fires on a school bus. It helped them to enhance their knowledge about Fire Safety. (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar also gave their valuable insights in the meeting and asked the team to show their concern

Khel Mahakumbh

January 2025

Khel Mahakumbh is a large-scale sports event held in Gujarat, India. **It promotes spirit of sportsmanship among youth and helps in developing a more focused and youthful society.** Students of APS under the guidance of their sports teachers participated in various events held under the banner of Khel Mahakumbh at Taluka and District level. They have made remarkable achievements and proved themselves best.

Shri Vasant Gadhavi Sir's Visit

January 10, 2025

Shri Vasant Gadhavi (Retired IAS Officer), the Executive Director at Adani Skill Development Centre, paid a small visit to Adani Public School, Mundra. He was given a formal welcome by (Principal-cum-Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar. He visited the new building and discussed the plans at hand. He gave his valuable suggestions as per his keen observation and also assured to extend support in all possible ways.

Kala MahaKumbh

January 10, 2025

Our students participated in District Level Kala Mahakumbh Competition and secured various positions. It was organized on January 10, 2025 at Alfred High School, Bhuj.

41 students from APS participated in Kala Mahakumbh District Level Competition. They participated in events like solo singing, keyboard playing, tabla playing, group singing, mono acting, drawing competition and Bagpiper band competition. We are pleased to share that one of our student Ms. Sampoorna Majumder achieved first position in solo classical vocal. She will now participate in Zonal level. Our Music teacher Mr. Durgesh Mali participated in District level Competition. He secured second position. (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar congratulated Music teachers Mr. Parag Sompura and Mr. Durgesh Mali for their achievements.

Sr. no	Name of the student	Name of the Event	Age Group	Position

3.	Akshara Holalgundi	Solo Bhajan	15 to 20	Second
4.	Tathya Chudasama	Mono Acting	6 to 14	Second
5.	Group Singing	Group Singing	15 to 20	Second

Makar Sankranti Celebration

January 11, 2025

APS celebrated Makar Sankranti on January 11, 2025. The school had a Special Assembly presented by Gandhi House. Makar Sankranti is celebrated in different parts of India with different names. Through their skit students portrayed how this festival is celebrated in different regions following diverse cultural and spiritual values. The celebration hit high spot when the students presented folk dances of different states. The celebration was wrapped up with a heartfelt message, emphasizing "Unity in diversity" and the importance of doing charity. (Principal cum Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar appreciated Gandhi House students and teachers for their tireless efforts in making this celebration a grand success.

Co - Curricular Activity

January 11, 2025

APS had many different co - curricular activities designed for the students of classes I to VIII. The activities were conducted on January 11, 2025 during their regular CCA periods under the supervision of their class teachers.

Classes I & II – Kite Mobile Craft

Students of classes I & II created colourful mini kites and attached them to strings. Kids then hung the kites in the classroom.

Classes III & IV – Sankranti Harvests Rangoli: A Celebration in Pulses

Students of classes III and IV created colourful rangoli designs using grains, pulses and cereals symbolizing the harvest season and the spirit of Makar Sankranti.

Co-Curricular Activity

January 11, 2025

Classes V, VI & VII – Tactile Art

Students of classes V, VI and VIII created a tactile piece on Makar Sankranti by incorporating textured materials like grains, pulses, cotton and sand to depict festive elements such as the kites, the sun or rangoli patterns.

Class VIII Kaleidoscopic Skies: Celebrating Kite Festivals

Makar Sankranti is one of the most significant harvest festival celebrated across India. It is celebrated in different states with different names and diverse ways. Students created presentations in groups with each group focusing on a specific aspect of the festival as observed in different regions.

Adobe Training for Teachers and Students

January 16, 2025

Adobe Training Express is a program designed to help students develop essential creative and communication skills using Adobe Express. It provides a range of resources including lesson plans and professional development courses to educators and students.

Our trained IT teachers Ms. Khalida Sorathiya and Mr. Kanji Sodham took the session of teachers and students on January 16, 2025. They guided the staff about the objective to create stunning graphics, videos, and web content, and to enhance digital design skills.

They briefed the staff about Adobe Express and gave the staff their User name and login ID. They also explained them the steps to login and its usage for creating posters and presentations. They further informed the staff about Republic Day Creativity Challenge. It is a competition organized for teachers and students of classes V to XII and teachers of Adani School.

The sessions incorporated both theoretical and practical elements.

- **Activation Process:** Participants were guided through the activation of Adobe Express accounts.
- **Hands-on Activities:** Interactive demonstrations were conducted, allowing participants to create their own projects.
- **Guideline Sharing:** Resources, including comprehensive guidelines, were shared through Drive links.
- **Trainers also provided guidance during computer periods, breaks, and stay-back sessions to ensure individualized support.**

Visit to SAC ISRO

January 18, 2025

We are proud to share that a team of five brilliant students of APS, Master Keyaan Khatri (Class XI), Master Dhruvansh Mankad (Class X), Master Jaydev Parmar (Class VIII), Master Dhairya Upadhyay (Class VIII) and Master Rishaan Sharma (Class VIII) under the guidance of their mentor Ms. Dhvani Buch presented their Space Project, 'VikramSAT – Pollution Mapping & Heat Tracking System' at the prestigious Space Applications Centre (SAC), Ahmedabad on January 17, 2025.

They presented the project among all the scientists of Space Environment Data Acquisition (SEDA) group under the guidance of Dr. Ram Rajak and Dr. Abha Chabra. Under their direction students are planning to make different types of space cameras. Students will further seek their guidance for preparing the satellite. Students visited Clean room and saw design of all CMOS and CCD cameras and also observed images with accurate resolution. Group Director Dr. Aarti Sarkar guided them on steps for designing the satellite and launching of satellite. Students also saw Planetary Simulation and Immersive Visualization Lab (PLASIV). There they saw different kinds of satellite images and how they map the terrain in 3 D.

All the scientists and directors highly appreciated our students as they were the youngest students to design a satellite. They were impressed by the knowledge displayed by our students during the interactive session. Later our students visited Vikram Sarabhai Exhibition Centre and enjoyed space movie there. They had meals with the ISRO team and chatted informally there. They have been invited to test their prototype and launch under expert guidance and it will be funded as well.

Later that day, the team had the opportunity to meet Honourable Vasant Gadhavi Sir (Executive Director at Adani Skill Development Centre) and Worthy George Thomas sir (Director, Education) at Adani HO, Ahmedabad and took their guidance.

Visit to SAC ISRO

January 18, 2025

Parent Teacher Meeting

January 18, 2025

APS conducted Parent Teacher Meeting for classes Nursery to XII on January 18, 2025.

During this Parent Teacher Meeting:

- Parent Teacher Meeting focused on PA-2 and Pre-Board 2
- Answer papers of Periodic Assessment-2 and Pre-Board 2 were shown to parents.
- Teachers discussed students' academic performance and behavioural issues.
- Discipline in classroom and attendance of students were also discussed.
- Remedial classes for all the classes have started to enhance student's performance.

Under the guidance of (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma, (Vice Principal, APS) Dr. Renu Patidar and Coordinators the smooth transaction of meeting was experienced.

Book Fair

January 18, 2025

Along with the parent-teacher meeting, a book fair was organized by India Book Service. A wide range of books were showcased, catering to pre-primary students as well as senior categories. The stalls featured a good collection of fairy tales, famous novels, mandala art books, Sudoku, puzzles, reference books, and many more.

Mundra Marathon 2.0

January 19, 2025

The marathon is a **long-distance footrace** first held at the revival of the Olympic Games in Athens in 1896. Bharat Vikas Parishad Mundra organized a Marathon 2.0 on January 19, 2025 covering different places of Mundra. Around 400 participants took part in different categories. Our Physical Education teacher Mr. Hemal Solanki took part in (Above 18 category) and brought glory for school by achieving third position.

(Principal-cum-Director, APS) Mr. Hemant Kumar Sharma congratulated Mr. Hemal Solanki for his achievement.

Samudra Men's Cricket League, 2025

January 20, 2025

Club Samudra has hosted 'Samudra Men's Cricket League 2025'. Cricket team of APS 'BLACK PANTHER' participated in the first match against DABANG 11 team. We are proud to share that APS Team - BLACK PANTHER won the match by 67 runs. The player of the match was Mr. Nimesh Kumar who took three wickets. (Principal-cum-Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar congratulated the winning team for their outstanding achievement. They also inspired them to reach greater heights.

Luminary Talk

January 20, 2025

We had the privilege to host Mr. Biju BP in APS on January 20, 2025. He is on a mission to ride solo across all 28 states and 6 union territories of India in a span of 800 days on his motorcycle to promote 'Girl Empowerment Through Education' (GETE). The session was held for the students of class IX. He started his session by explaining the meaning of the term Empowerment.

He further discussed some key points:

- Have ambition and talk about it daily once.
- Take out the fear.
- Don't follow money, make money follow you.
- Do something for the country.
- Never copy anybody, be your own role model.

He left with a beautiful message on 'Follow Your Passion'. He added that one should give back to society in whatever possible way one can.

Special thanks to Management, (Director, Kutch region) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal-cum-Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar for arranging such motivational and inspirational session for students.

Health Check-up

January 20, 2025 to January 25, 2025

A health check - up for students, teaching and non - teaching staff was conducted in APS from January 20, 2025 to January 25, 2025. The main objective of this health check - up is to promote, protect and maintain health of school children as well as staff and reduce morbidity and mortality in team. Dr. Chintan Joshi, Dr. Rahul, staff nurse Mr. Prakash along with school nurse Ms. Munira Khoja examined all the students and staff of APS.

The health check - up covered the following points:

1. Body Mass Index – Height and Weight
2. Routine Check up
3. Blood Pressure

After the medical check - up recommendations and remedies were also suggested. The health check-up camp served the purpose of empowering the students as well as staff with enough information and awareness with regards to their health and problems confronted by them.

Guest Visit

January 21, 2025

APS Mundra staff was privileged to attend the enlightening session led by our distinguished guest Retd. Police Commissioner of Police, Surat – Shri Ajay Kumar Tomar on January 21, 2025. His profound insights and remarkable experiences have significantly broadened our understanding. Ajay Sir shared his views about motivating the children. Teachers should encourage their curiosity and their talent. He gave few suggestions:

- Identify the hidden talent of children and praise them before the class.
- Don't label children.
- Never compare students with each other.
- Let the natural creativity of children grow.
- Always encourage students in things they are good at.

The stories of his experiences showcased remarkable leadership and unwavering commitment to justice. It was truly an inspiring session that left a lasting impact on all attendees.

Special thanks to Management, (Director, Kutch region) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar for arranging such a wonderful and an eye-opening session for teachers.

International Social Science Olympiad

January 23, 2025

Olympiads aim to promote academic excellence, critical thinking and problem - solving skills among students. The International Social Studies Olympiad (SOF ISSO) is an annual academic competition organized by SOF for students in classes III to X to assess their knowledge and skills in Social Studies.

The International Social Studies Olympiad (SOF ISSO) is an annual academic competition organized by SOF for students in classes III to X to assess their knowledge and skills in Social Studies.

Adani Public School conducted International Social Science Olympiad (ISSO SOF) on January 23, 2025. This year 99 students from classes III to IX participated in it. The examination was conducted in school premises under the supervision of teachers, during regular school timings.

(Principal – cum - Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar acknowledged the smooth coordination and the work done by Olympiad Committee.

Pre-Board III

January 25, 2025

APS organized its third Pre Board for the students of classes X and XII. It is scheduled between January 25, 2025 to February 3, 2025. The main objective was to make students identify their strengths and weaknesses. This exam will help students refine their strategies and gain confidence. Appropriate gaps were given to get proper feel and to get sufficient preparation time between two papers.

The school also gave students practice to fill the OMR sheets with their board roll numbers. Parents are very satisfied with this practice of three Pre Board and regular Parent Teacher Meetings.

Co-Curricular Activities

January 25, 2025

Co-Curricular Activities are an essential part of student's educational experience. CCA Team planned many activities for classes I to VIII. It was carried out on January 25, 2025 during their regular CCA periods.

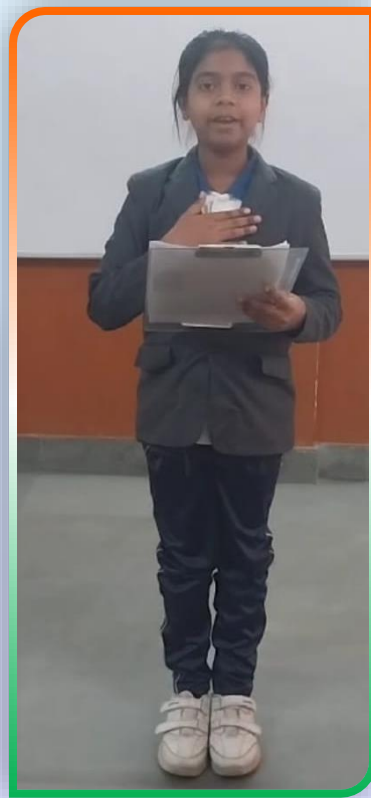

Classes I & II Card Making

The students designed and created handmade greeting cards to celebrate Republic Day. They incorporated elements such as the national flag, Ashoka Chakra, and patriotic symbols using colored paper, markers, and decorative materials.

Classes III to V Patriotic Beats and Tunes

The students displayed their abilities by singing songs that celebrated patriotism. They incorporated relevant props that complemented their performances.

Co-Curricular Activities

January 25, 2025

Classes VI to VIII Tricolour Badge Making

The students designed and created badges using materials like colored paper, fabric, or foam in the shades of the Indian flag (saffron, white, and green). These badges were then worn on Republic Day to celebrate national pride and unity.

Republic Day Essay Writing Competition

January 26, 2025

Ministry of Defence and My Government invited citizens to participate in an Online Essay Writing Competition. The topic for the Essay was 'India's Invincible Journey: Past, Present and Future. Students were supposed to upload their essays on My Government App from November 18, 2024 to November 30, 2024. Out of 1000 entries received 250 essays were selected.

Young writers showcased their vision of India's journey from past to future. Proud to share that our two students Ms. Vedika Bola (Class VIII D) and Ms. Arya Singh (class VIII A) proved themselves the best. Their essays were selected and they were fortunate to receive the invitation for 76th Republic Day Parade at Kartavya Path, New Delhi. They received this invitation from The Ministry of Defence.

(Principal – cum – Director, APS) Mr. Hemant Kumar Sharma (Vice Principal, APS) Dr. Renu Patidar and Coordinators congratulated them for their achievements.

The Invincible Journey of the Indian Republic : past, present and Future

India, known for its diversity and rich heritage, became a republic on January 26, 1950. On this day, the Constitution of India came into effect, establishing the country as a democratic republic. This marked the beginning of a journey built on the principles of justice, liberty, equality. This essay explores India's invincible journey through its past achievements, present challenges and aspiration for the future.

The Past : A legacy of struggles

1. India's journey as a republic began with its hard-fought battle for independence from British rule.
2. The freedom movement, fought by India's great ^{legends} like Mahatma Gandhi, Subhas Chandra Bose and Bhagat Singh, inspired unity and courage among Indians.
3. On August 15, 1947, India gained independence, but true self-governance was achieved with

Page: 1

healthcare and education, uplifting millions of lives.

India's unity in diversity continues to be its strength. Its traditions are famous all over the globe.

6. India plays a key role on international platforms, promoting peace, sustainability and global cooperation.

The Future : Dreams for India

The youth of India hold the key to shape the nation's future. Its innovation, creativity and dedication will progress.

2. Sustainability will be on full focus, with efforts to have a clean environment and will promote the use of renewable energy.
3. Efforts will continue to eliminate social inequalities and create opportunities for all citizens of the country.
4. Quality education and skill development programs will empower the next generation, so that they can contribute in the nation's growth.

Page: 3

the adoption of the Constitution in 1950.

4. The Constitution, written by Dr. B.R. Ambedkar and his team, guaranteed fundamental rights and established India as a secular and democratic nation.

5. The early years of the republic focused on building a strong foundation through industrialization, education and infrastructure development.

The Present : Achievements and progresses

1. In Present, India is having a global power in different fields such as technology, space, medicine, exploration and industries.
2. Milestone like Chandrayaan and Mangalyaan missions show India's scientific intelligence.
3. The country's Economy is growing rapidly, becoming the fifth-largest in the world. Initiatives like Digital India and Make in India have boosted entrepreneurship and innovation.

Social schemes like Ayushman Bharat and Beti Bachao Beti Padhao have improved,

Page: 2

6. A vision for peaceful, prosperous and inclusive India will guide its journey forward.

Conclusion :

The journey of the Indian Republic is truly invincible, marked by achievements and hope. By doing so many struggles in the past to become a independent country. India's story is one of the inspirations. We as a citizen of India should contribute in the incredible journey, making India a example of progress, harmony and strength for the world. We will make it a very powerful and progressed country.

The Inevitable Journey of The Indian Republic: Past, Present and Future

India became a republic on January 26, 1950, when it adopted its Constitution. This was a proud moment for the country as it began a new chapter after gaining independence from British rule. Since then, India has grown and developed, showing its strength and determination to overcome challenges.

"The Future Depends on what we do in the Present. — Mahatma Gandhi

The Past :- Building the Republic

The Journey of the Indian Republic started with the sacrifices of many freedom fighters who dreamed of a free and united nation. After independence in 1947, leaders like Dr. B.R. Ambedkar worked hard to draft the Indian Constitution, which gave rights and responsibilities to every citizen. The Constitution is the foundation of our democracy, ensuring justice, equality, and freedom for all.

unemployment and poverty remain, India's democracy gives people power to raise their voice and work towards solution.

The Future : Hopes and Challenges

The future of the Indian Republic is full of possibilities. With its young population, India can become a global leader in fields like technology, renewable energy, and sustainable development. To achieve this, the country must focus on education, job creation, and gender equality.

However, India also faces challenges like climate change, population growth, and the need to improve governance. By staying united and following the principles of the Constitution, India can overcome these issues and continue its journey of progress.

Page: 3

In the early years, India faced many difficulties, such as rebuilding the economy and uniting the diverse population. Despite these challenges, the country made progress by introducing reforms like ending untouchability and reorganizing states based on language. These efforts brought people together and strengthened the nation.

The Present : India's Achievements

Today, India is one of the fastest-growing countries in the world. It has made remarkable progress in fields like technology, space exploration, education, and healthcare. India's Chandrayaan and Gaganyaan missions show its achievements in space science, while programs like digital India and Make in India aim to make the country self-reliant.

India has also worked hard to improve the lives of its people. Campaigns like Swachh Bharat Abhiyan promote cleanliness, and Beti Bachao, Beti Padhao supports the education and well-being of girls. Even though challenges

Conclusion

The Journey of the Indian Republic is a story of courage, hard work and hope. From the struggles of the Past to the achievements of the Present and the dreams of the future, India has shown its invincible spirit. As citizens, it is our duty to contribute to the nation's growth and uphold the values of democracy, equality, and justice. Together, we can ensure that India remains strong and proud for generations to come.

"I feel proud to be a part of this great nation that has achieved so much in just 74 years."

Martyrs' Day

January 30, 2025

APS had a special assembly for Martyrs' Day on January 30, 2025. To solemnize the melancholic day, students of class VI F shared the importance and value of the day in the morning assembly. They presented a patriotic song as a tribute to the martyrs who sacrificed their lives for the country. Principal – cum – Director Mr. Hemant Kumar Sharma emphasized the importance of remembering and honouring the sacrifices of our martyrs. The program culminated with the vote of thanks.

The Martyrs' Day celebration at APS was a solemn and inspiring tribute to the martyrs' who sacrificed their lives for our nation's freedom. The program was a huge success due to the unique contribution made by the coordinators, teachers and students.

(Principal – cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar paid homage to the martyrs on this day

Air Show

January 31, 2025

An air show is a public event where aircraft are exhibited. The Indian Air Force's Surya Kiran Aerobatic Team performed a spectacular air show over Dhordo (Rann of Kachchh) on January 31, 2025 and February 1, 2025. The Surya Kiran Aerobatic Team of the Indian Air Force enthralled people with their manoeuvres. The amazing performance of the team comprising nine aircraft entertained the people.

APS Mundra had the privilege of viewing the majestic, thrilling and spectacular White Rann Aircraft show, that took the students to the skies. Around 600 students from classes VI, VII and VIII along with their teachers and coordinators witnessed the program. As the aircraft soared through the air; it was a display of precision flying, intricate formations, and jaw - dropping stunts. The skilled pilots showcased the aircraft's capabilities, demonstrating the art of flight at its finest. It included barrel roll manoeuvre, Upside down flying, crowd's favourite manoeuvre – DNA manoeuvre. Everyone was amazed by the incredible White Rann aircraft show. It is going to be an unforgettable experience for all the students and teachers.
