"A Place to Learn; A Space to Grow"

Resonance of Triumph: A Melodic Constellation at Kala Maha Kumbh: December 31,2025

Music is not merely sound; it is the celestial dialect of the spirit; a sublime tapestry interlaced with the rhythms of human existence. It transcends borders, harmonizing diverse hearts and cultures, and nurturing a collective identity steeped in belonging. As a timeless custodian of civilization, music reverberates with the ethos, traditions, and chronicles of communities across the world. The Kala Maha Kumbh, an illustrious cultural odyssey orchestrated by the Government of Gujarat, stands as a monumental celebration of artistry and heritage. Conceived to exalt and safeguard the region's resplendent cultural legacy, this festival unfurls a stage where tradition and talent converge in radiant symphony.

Amidst this exalted gathering, our prodigious student **Ms. Sampoorna Majumder of Grade VIII C** emerged as a luminous exemplar of perseverance and artistry. Her musical journey, ascending from District to Zonal and culminating at the prestigious State Level, epitomizes resilience, discipline, and passion. Each performance refined her craft, evoking admiration from discerning audiences and venerable adjudicators alike. With her mellifluous voice and consummate mastery, Sampoorna achieved a resounding triumph—securing Second Place at the State Level in Classical Vocal Solo (Under 15–20 age category). Her achievement not only enkindled pride within the institution but also emblazoned the school's name with radiant distinction. Beyond accolades, she embraced invaluable exposure, engaging with fellow virtuosos and enriching her journey through shared learning and artistic camaraderie.

Strategic Brilliance on the Chessboard: January 4, 2026

It was a proud moment for Adani Public School, Mundra, as Master Nihit Shukla of Grade VI F distinguished himself in the **1st Heaven of Kutch Open Gujarat Chess Cup**, organized by **the Chess Masters Club** on 4th January 2026 at Gandhidham.

Competing in **the Under-15 category**, Nihit showcased remarkable strategic acumen, concentration, and resilience, securing **the 5th rank** amidst a field of talented participants. His achievement reflects not only his mastery of the game but also his ability to think critically and perform under competitive pressure. In recognition of his accomplishment, Nihit was awarded a medal and certificate, which were ceremoniously presented to him during the morning assembly by the school leadership. The occasion inspired his peers and underscored the importance of discipline, perseverance, and intellectual pursuit in shaping young achievers. This success stands as a testament to Nihit's dedication and the school's commitment to nurturing holistic excellence, encouraging students to shine in both academics and co-curricular arenas.

Parent Teacher Meeting of Grade X & XII: January 7, 2026

The Parent-Teacher Meeting for Grades X and XII, held on 7th January, 2026, was a purposeful forum that reinforced the bond between educators and parents in guiding students through their crucial academic journey.

Teachers shared a concise review of performance, strategies for board examination readiness, and insights into holistic growth. Parents engaged actively, emphasizing discipline, motivation, and emotional well-being as vital supports during this decisive phase. The meeting also highlighted career guidance and the importance of aligning aspirations with strengths. The PTM stood as a testament to shared responsibility and collective commitment, inspiring confidence as students stride toward their academic milestones.

Periodic Assessment 2 :

January 5 to January 12, 2026

The Periodical Assessment–2 (PA-2) for Classes I to IX and XI was conducted with precision and academic rigor at Adani Public School, Mundra from 5th to 12th January 2026, in alignment with the academic calendar. The assessment served as a structured mechanism to evaluate students' scholastic performance, conceptual clarity, and application of knowledge across diverse subjects.

The examination schedule was meticulously designed, ensuring adequate preparation time for learners and the seamless execution of the assessments. Question papers adhered strictly to the prescribed syllabus and guidelines, striking a judicious balance between knowledge-based, comprehension-oriented, and application-driven questions. All requisite arrangements were made to uphold a fair, disciplined, and conducive environment. Examination halls were systematically managed, invigilators discharged their duties with diligence, and students adhered to the rules and instructions with commendable discipline. Attendance across classes remained satisfactory, reflecting the seriousness with which students approached the assessment.

The overall conduct of PA-2 was marked by smooth coordination, academic integrity, and disciplined execution. The results provided a clear diagnostic insight into students' learning levels, highlighting both strengths and areas requiring further academic reinforcement. Teachers will strategically utilize these outcomes to design remedial measures, enrichment activities, and innovative teaching-learning strategies, thereby enhancing the effectiveness of classroom instruction.

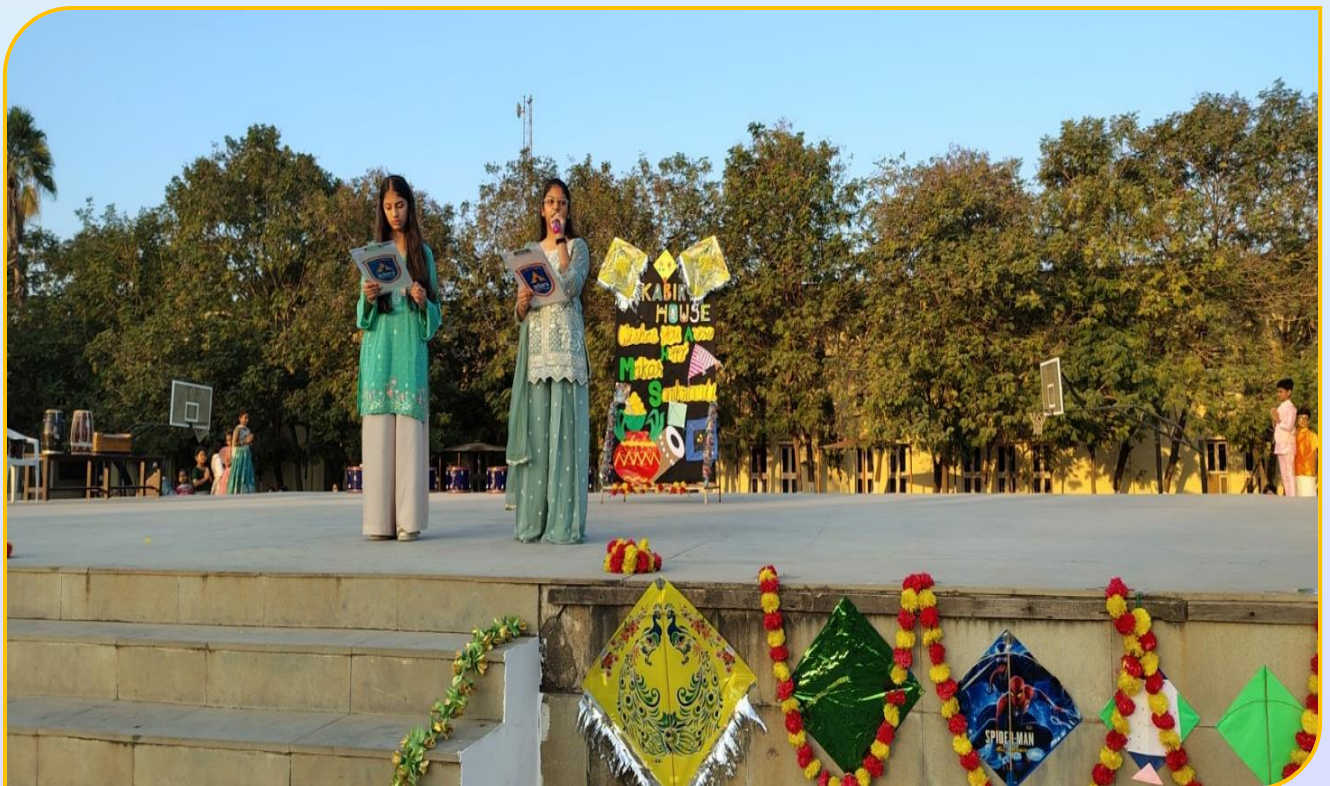

Festivity and Philosophy: Kabir House's Celebration of Makar Sankranti & National Youth Day: January 13, 2026

Kabir House celebrated Makar Sankranti with exuberance and cultural pride, alongside the observance of National Youth Day in reverence to Swami Vivekananda. The dual celebration became a radiant fusion of tradition and inspiration, embodying both cultural vibrancy and philosophical depth.

The celebration commenced with a colourful fancy dress parade by the students of Classes I and II, portraying the myriad ways in which Makar Sankranti is observed across different states of India. Their lively presentations symbolized harmony and inclusiveness, reinforcing the message of national integration. Adding grandeur to the occasion, the girls of Classes VII, VIII, IX, and XI enthralled the audience with vibrant cultural dances, embodying the rhythm, grace, and festive spirit of regional traditions. The programme was meticulously choreographed by Mr. Gopal J, Ms. Pallavi V & Ms. Renu S, whose artistic direction elevated the performances into a spectacle of cultural brilliance.

In conjunction with the festival, Kabir House also observed National Youth Day in reverence to Swami Vivekananda, whose ideals continue to inspire generations. Two students delivered eloquent and inspiring speeches, illuminating his philosophy of discipline, character, service, and nation-building. Their words resonated deeply, motivating peers to embrace these timeless values in their own lives. The dual celebration of Makar Sankranti and National Youth Day was not merely an event, but a fusion of festivity and philosophy—honouring tradition while igniting youthful minds with purpose. It stood as a testament to Kabir House's commitment to nurturing cultural pride, moral strength, and national spirit.

Festivity and Philosophy: Kabir House's Celebration of Makar Sankranti & National Youth Day: January 13, 2026

STEM for Bharat – Phase 1 (Offline Training) :

January 15, 2026 & January 16, 2026

The Adani Foundation, in its unwavering pursuit of educational innovation, organized a two-day offline STEM training programme under STEM for Bharat – Phase 1 at Adani Public School, Mundra on 15th and 16th January 2026. The initiative was conducted under the esteemed guidance of Director APSM; Ms. Ami Shah, Principal-cum-Director Mr. Hemant Kumar Sharma, and Vice Principal Dr. Renu Patidar, whose visionary leadership ensured the program's resounding success. The training was led by **Master Trainers – Ms. Rashida H., Ms. Priti S., Ms. Alka C., and Ms. Aaysabanu A.**, who imparted their expertise to seven trainee teachers. These teachers subsequently implemented the acquired methodologies by engaging Class VIII students, thereby bridging theory with practice.

Day 1: Foundations of STEM and SDGs

The inaugural day introduced the concept of STEM and underscored its transformative role in the teaching-learning process. Special emphasis was placed on embedding the Sustainable Development Goals (SDGs) into real-life contexts, advocating that all 17 SDGs transcend rote learning and be integrated through real-world problem-solving and 21st-century skills.

The Master Trainers elaborated on the STEM Quartet and guided participants in identifying complex, persistent, and extended problems within the Iterative Problem-Solving Cycle. Trainee teachers engaged in persona creation to represent individuals impacted by these challenges, followed by lesson plan development, prototype design, and prototype construction. The day concluded with reflective discussions, constructive feedback, and clarification of doubts, ensuring a comprehensive understanding of the process.

Day 2: Application through Bio-Plastic Prototypes

The second day witnessed the enactment of a STEM lesson plan on Bio-Plastic with Class VIII students. The session commenced with the use of pie charts, videos, and data analysis to contextualize the problem. Students then designed and developed prototypes using the provided materials, adhering to predefined rubrics that emphasized innovation and efficiency.

Learners presented their prototypes with confidence and engaged in reflective dialogue on improving functionality through guided questioning techniques. The session culminated with teachers' feedback, assessing the learning outcomes and reinforcing the efficacy of the training.

The STEM for Bharat – Phase 1 programme was not merely a training exercise but a transformative educational endeavour. It empowered teachers with cutting-edge pedagogical strategies, inspired students to embrace inquiry-based learning, and reaffirmed the school's commitment to nurturing innovation, sustainability, and problem-solving excellence.

STEM for Bharat – Phase 1 (Offline Training) :

January 15, 2026 & January 16, 2026

Life Skills Workshop for Grade I to VIII:

January 19, 2026 to January 21, 2026

The Quality Council of India (QCI), a distinguished national institution devoted to advancing educational excellence, orchestrated a transformative three-day workshop at our school for students of Standards I to VIII. With an unwavering commitment to nurturing holistic development, QCI designed this initiative to instill essential life skills and cultivate intellectual curiosity among young learners. Guided by the expertise of Ms. Afrin and Ms. Archana, the sessions employed innovative, learner-centric methodologies that seamlessly blended pedagogy with inspiration. The programme proved profoundly enriching, empowering both students and educators with tools to foster confidence, creativity, and critical reasoning.

Day 1 – 19th January, 2026

Theme: Confidence Building (Grades I–III)

The inaugural session illuminated the importance of self-expression and positive behavioral growth. Through engaging activities, students of Grades I and II were encouraged to articulate their thoughts with clarity and assurance. The exercises instilled courage, nurtured self-belief, and laid the foundation for resilient personalities.

Day 2 – 20th January, 2026

Theme: Creative Thinking (Grades IV–V)

The second day celebrated the boundless power of imagination. Under the guidance of Ms. Archana, students of Grades IV and V participated enthusiastically in dynamic exercises that challenged conventional perspectives and inspired originality. Learners discovered how creativity transcends academics, shaping innovative problem-solving and enriching everyday life.

Day 3 – 21st January 2026

Theme: Critical Thinking (Grades VI–VIII)

The concluding session focused on sharpening analytical acumen. Introducing the 5W and 1H technique (Who, What, When, Where, Why, and How), Ms. Archana empowered students to dissect problems with precision, enhance logical reasoning, and make judicious decisions. This training not only fortified their academic pursuits but also equipped them with indispensable skills for navigating real-world challenges.

The workshop, an inspiring fusion of confidence, creativity, and critical inquiry, embodied QCI's vision of educational excellence and left an enduring impact on every participant.

Life Skills Workshop for Grade I to VIII:

January 19, 2026 to January 21, 2026

Radiance of Leadership:

January 21, 2026

The birthday celebration of our esteemed Director, Ms. Ami Shah, held on 21st January 2026, was a joyous and memorable occasion that reflected the deep admiration and affection of the entire school community. Organized as a heartfelt surprise by both students and staff, the event radiated warmth, reverence, and gratitude.

The celebration commenced with a traditional welcome by the council members and school prefects, who also presented a small birthday wishes card as a token of love and respect. This ceremonial gesture set a dignified tone, symbolizing the collective admiration of the student body. The central courtyard then resonated with festivity as students sang melodious songs and presented a vibrant dance performance, filling the atmosphere with cheer and delight. In a gesture of compassion and social responsibility, blankets were donated to the needy in nearby areas, reinforcing the values of empathy and service that Ms. Shah herself embodies.

Adding to the emotional grandeur of the occasion, the staff presented a finely crafted birthday card, ceremoniously offered by Respected Principal-cum-Director Mr. Hemant Kumar Sharma and Revered Vice Principal Dr. Renu Patidar on behalf of the entire faculty. Accompanied by a bouquet of heartfelt messages, this gesture eloquently conveyed their collective gratitude and profound admiration for Ms. Shah's visionary leadership. The staff further orchestrated a surprise celebration, magnifying the spirit of unity, reverence, and inspiration that her guidance continually instils across the institution. The event transcended the bounds of a mere birthday observance, emerging instead as a tribute to leadership, compassion, and inspiration. It stood as a resounding testament to the values that define Adani Public School, Mundra, and to the enduring legacy of its esteemed Director, Ms. Ami Shah.

Radiance of Leadership:

January 21, 2026

Sprint of Grit and Glory: State Level Khel Maha Kumbh Athletics Meet 2025: January 20 & 21, 2026

The State Level Khel Maha Kumbh Athletics Meet 2025, held on 20–21 January, witnessed remarkable displays of talent, perseverance, and competitive spirit from young athletes across Gujarat. Among the standout performers were students from Adani Public School, Mundra, who made the institution immensely proud through their commendable achievements at the state level.

In the Under-14 category, Master Kanish Das from Grade VIII A delivered an outstanding performance in the sprint events. Competing against the best athletes from across the state, he secured 4th position in the 100 metres event among 26 competitors and repeated this remarkable feat by clinching 4th position in the 200 metres event among 25 competitors. His consistent excellence and determination reflected exceptional athletic discipline and resilience. Equally noteworthy was the performance of **Master Swayam Chavda of Grade VII D in the Under-14, 600 metres event. Demonstrating endurance and mental fortitude, he achieved a 4th position in the semifinal, earning an overall state rank of 22nd among 56 participants from across Gujarat—a commendable accomplishment at this competitive level.**

Further adding to this proud chapter, **Master Kanish Das and Master Swayam Chavda represented the Kutch District as members of the 4×100 metres relay team. Competing against 42 teams statewide, the relay team secured an impressive 8th position, showcasing teamwork, speed, and strategic coordination on a prestigious platform.** These achievements stand as a testament to the athletes' unwavering dedication, disciplined training, and indomitable spirit, reinforcing the school's commitment to nurturing sporting excellence alongside academic growth.

Empowering Pedagogy Through Digital Innovation: January 21, 2026

A Tata Class Edge Training Session was conducted on 21st January 2026 in the New AV Room, led by Mr. Shraddha Niwas, Resource Person from Tata Class Edge. The session was attended by faculty members with the objective of enhancing their proficiency in Smart Class tools and digital teaching resources. The primary aim was to create awareness about effective integration of digital pedagogy and to guide teachers in maximizing the instructional potential of Smart Class features. Mr. Niwas elaborated on usage patterns of digital content, emphasizing strategies to optimize lesson delivery and enrich classroom engagement. The session included a hands-on demonstration highlighting:

- Strategic use of widgets and shapes to minimize manual effort and amplify teaching impact.
- Application of 3D figures for deeper conceptual clarity.
- Designing interactive quizzes to assess student learning outcomes.
- Accessing and utilizing structured lesson plans for efficient classroom management.

An interactive segment followed, wherein teachers shared insights and posed queries that were addressed comprehensively by the resource person. The training proved to be informative, engaging, and empowering, instilling confidence among teachers to employ Smart Class tools with greater efficiency, thereby making classroom instruction more interactive, impactful, and future-ready.

Young Minds Exploring Wastewater Management:

January 21, 2026

On 21st January 2026, the students of Class V embarked on an enriching and thought-provoking learning journey through a hands-on STEM lesson on Wastewater Management, centered around the essential question: What happens to wastewater after it leaves our homes?

To deepen their understanding, students undertook a field visit to a wastewater treatment plant, where they closely observed the systematic processes involved in treating household wastewater before it is safely released into the environment or reused. This real-world exposure provided valuable insights into the scientific principles and environmental responsibility underlying wastewater treatment.

Extending their learning beyond observation, students enthusiastically designed and developed their own wastewater-cleaning prototypes. Through this innovative activity, they explored the fundamental stages of wastewater treatment while gaining a strong appreciation for water conservation, reuse, and sustainable living. The exercise encouraged critical thinking, creativity, and problem-solving as students addressed a real-life environmental challenge. The activity proved to be a meaningful blend of science, innovation, and environmental awareness, empowering young learners to understand their role in building a sustainable and water-conscious community.

Young Minds Exploring Wastewater Management: January 21, 2026

Innovation with a Purpose: Grade VI-F Designs a Solar Gas Leak Detector: January 21, 2026

On 21st January 2026, students of Grade VI-F participated in an engaging and impactful STEM lesson on the Solar Gas Leak Detector, conducted by Ms. Aysabanu A and Ms. Arunima R. The session was thoughtfully designed to integrate scientific inquiry with real-world application and social responsibility.

During the session, students explored the critical importance of gas safety and learned how a **Solar Gas Leak Detector** functions to identify hazardous gas leaks, thereby playing a vital role in preventing accidents and safeguarding lives. The lesson fostered a deep understanding of renewable energy integration by demonstrating how solar power can be harnessed for practical safety solutions. As a culmination of their learning, students designed and developed functional prototypes, gaining hands-on experience with the working mechanism of the detector. They confidently presented their models, articulating the scientific principles involved with clarity and enthusiasm. The activity nurtured analytical thinking, creativity, collaboration, and effective communication skills.

The STEM lesson proved to be an enriching experience, empowering students to apply classroom concepts to real-life challenges while instilling a sense of responsibility toward community safety and sustainable innovation.

Innovation with a Purpose: Grade VI-F Designs a Solar Gas Leak Detector: January 21, 2026

Breathing Better Tomorrow: A STEM Exploration:

January 21, 2026

On 21st January 2026, the students of Class VII at Adani Public School, Mundra embarked on an inspiring STEM lesson titled "Breathing a Better Tomorrow", exploring the critical question: How can we reduce air pollution caused by industries? Guided by Ms. Alka C and Ms. Priyanka K, the lesson began with an inquiry into the harmful effects of industrial emissions, where students examined real-time data on air pollution in their surroundings. This evidence-based exploration motivated them to research and propose innovative strategies for controlling industrial pollution.

As part of their STEM project, students designed and created an effective air purifier model, demonstrating how polluted air can be filtered and cleaned. Through investigation, design, and innovation, they discovered how science and technology converge to safeguard the environment, while simultaneously cultivating a sense of responsibility towards sustainable living. The activity not only strengthened their critical thinking, problem-solving, and collaborative skills but also instilled in them the values of environmental stewardship and scientific curiosity. The atmosphere remained vibrant and purposeful, as young learners envisioned a cleaner, healthier, and more sustainable future.

Breathing Better Tomorrow: A STEM Exploration:

January 21, 2026

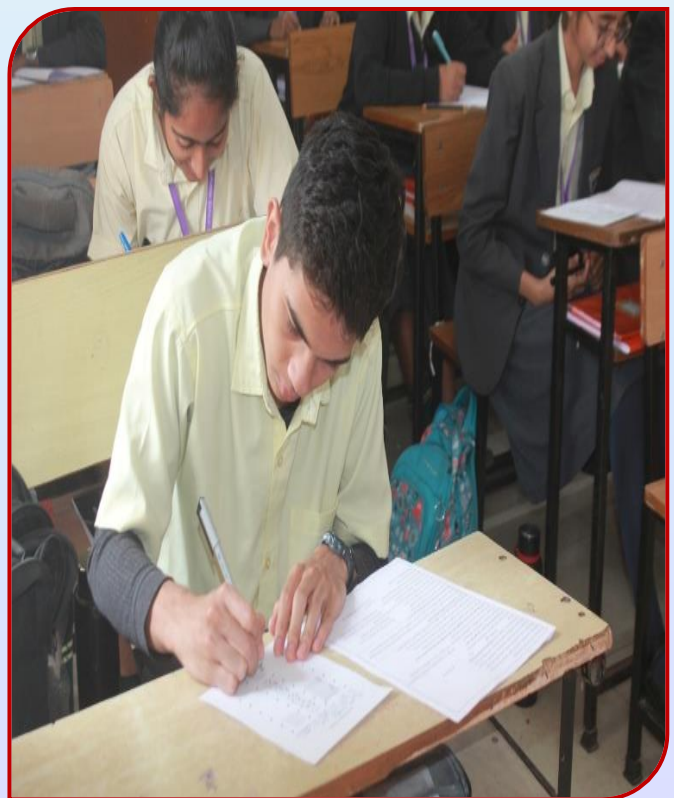

Pan-India Confluence of Excellence: Adani Olympiad – English: January 22, 2026

The Adani Olympiad Examination for English, conducted on 22nd January 2026 at Adani Public School, Mundra, was a distinguished academic endeavour uniting all Adani Public Schools across India under a common platform of intellectual pursuit. The Olympiad was held for students from Junior Kindergarten to Grade IX and Grade XI, thereby encompassing a wide spectrum of learners and celebrating linguistic excellence across age groups.

This pan-India initiative exemplified the spirit of uniformity, fairness, and scholastic distinction, providing students with an opportunity to showcase their linguistic proficiency, comprehension skills, critical reasoning, and creative expression.

Meticulously organized under the centralized framework of the Adani Education Network, the Olympiad ensured parity in evaluation and consistency in academic standards. The atmosphere within the school was marked by discipline, focus, and academic integrity, as students engaged wholeheartedly in the examination. The event not only assessed their preparedness but also inspired them to embrace the power of language as a tool for knowledge, communication, and leadership. The Adani Olympiad – English stood as a milestone of academic distinction, reaffirming the commitment of Adani Public Schools to nurturing excellence, fostering intellectual growth, and cultivating confidence among learners.

Cultivating Excellence: International Social Studies Olympiad: January 23, 2026

The Olympiads, conducted on both national and international scales, stand as some of the most formidable academic challenges, fostering intellectual competition among students across diverse disciplines and grade levels. These highly sought-after examinations not only enable learners to benchmark their knowledge against peers but also instill a spirit of discipline, resilience, and scholarly pursuit. The International Social Studies Olympiad (SOF-ISSO), organized annually by the Science Olympiad Foundation, is a prestigious platform that allows students to demonstrate their grasp of concepts ranging from ancient civilizations to contemporary political systems. Beyond factual recall, the Olympiad emphasizes analytical reasoning, critical thinking, and interpretative skills, thereby nurturing holistic intellectual growth.

At Adani Public School, Mundra, Olympiad examinations are integral to the vision of comprehensive student development. On 23rd January 2026, a total of 80 students participated in the ISSO examination, conducted seamlessly within the school premises during regular hours. The event was executed with precision under the vigilant supervision of the faculty, ensuring fairness and academic integrity.

Illumination of Wisdom: Vasant Panchami

Celebration: January 23, 2026

The vibrant and auspicious festival of Vasant Panchami was celebrated with profound devotion and cultural splendor at Adani Public School, Mundra on 23rd January 2026. Dedicated to Goddess Saraswati, the divine embodiment of wisdom, music, art, and learning, the occasion marked the advent of spring and the renewal of creative energy. The school campus was adorned with yellow blossoms and festive décor, radiating joy and spirituality.

The celebration commenced with the lighting of the ceremonial lamp and sacred prayers offered to Goddess Saraswati, invoking blessings of enlightenment and knowledge. Students of Grade VII participated with wholehearted enthusiasm in a spectrum of cultural programmes. The event featured Saraswati Vandana, devotional songs, graceful dance performances, poetry recitations, and inspiring speeches. Clad in resplendent yellow attire, the students infused charm and vibrancy into the occasion, embodying the true spirit of the festival. Respected Principal Sir, Mr. Hemant Kumar Sharma addressed the gathering with words of inspiration, emphasizing the significance of education, discipline, and the divine blessings of Goddess Saraswati in shaping luminous futures. His message instilled in students a renewed reverence for learning, creativity, and cultural heritage. The programme concluded with the distribution of prasad, leaving every heart imbued with positivity, devotion, and spiritual energy. The celebration was not merely an event, but a living tribute to wisdom, creativity, and the eternal pursuit of knowledge.

Illumination of Wisdom: Vasant Panchami Celebration: January 23, 2026

Exemplifying Team Spirit Through Sporting Excellence: January 23, 2026

It was a proud moment for Adani Public School, Mundra, as **Master Dharmil Gajjar and Master Jaimin Bhalani from Grade IX B** showcased their remarkable talent and determination in the **SSA (Spandan Sports Academy) Cup 2025-2026**, held on **4th January 2026** at **Spandan Sports Academy, Mandvi**.

Competing in the Men's Doubles Open Category, the duo displayed exceptional coordination, agility, and strategic acumen, securing **the Runner-up position** amidst strong competition. Their achievement stands as a testament to their dedication, perseverance, and sporting spirit, inspiring their peers to pursue excellence both on and off the field. In recognition of their accomplishment, the two young achievers were honoured with a Runner-up trophy and certificate, which were ceremoniously presented to them by Principal-cum-Director Mr. Hemant Kumar Sharma and Vice Principal Dr. Renu Patidar during the morning assembly on 23rd January 2026. The occasion was marked by applause and admiration, reinforcing the values of teamwork, discipline, and resilience that sports instill in young learners. This achievement reflects the school's unwavering commitment to nurturing holistic development, encouraging students to shine not only in academics but also in co-curricular pursuits that build character and confidence.

Swachhagrah Drive: Best Clean Class Award: Grade III C: January 23, 2026

Adani Public School, Mundra proudly organized the Swachha Grah Drive; an initiative aimed at fostering hygiene, responsibility, and collective participation among students. As part of this endeavour, the Best Clean Class Award was conferred upon **Class III – C** for their exemplary commitment to maintaining cleanliness and orderliness in their classroom environment.

Under the dedicated guidance of Class Teacher, **Ms. Bhakti Laljani**, and with the enthusiastic involvement of the class prefects, the students demonstrated remarkable discipline and teamwork. Their consistent efforts in ensuring a spotless and well-organized classroom set a benchmark for others to emulate. In recognition of their achievement, certificates were awarded to the class teacher and prefects, symbolizing both appreciation and encouragement. This accolade not only celebrated their accomplishment but also reinforced the importance of cleanliness as a shared responsibility within the school community. The Swachha Grah Drive continues to inspire students to embrace cleanliness as a way of life, cultivating habits that reflect respect for surroundings, responsibility towards society, and pride in their institution.

Bridging Minds and Nurturing Futures: Parent Teacher Meeting: January 24, 2026

The Parent Teacher Meeting (PTM) for Pre-primary to Grade IX and XI was held on 24th January 2026 at Adani Public School, Mundra. The session served as a vital platform for constructive dialogue between parents and educators, with the central focus on the overall academic development of the child.

Teachers provided insightful feedback on students' performance, strengths, and areas requiring improvement, while the answer sheets of Periodical Assessment-2 were shown to parents, enabling them to clearly gauge their ward's progress. Parents actively engaged in discussions, appreciating the efforts of the faculty and offering valuable suggestions, thereby reinforcing the spirit of mutual respect and collaborative commitment. The meeting concluded with a reaffirmation of the importance of parent-teacher synergy in nurturing confident, disciplined, and well-rounded learners.

Resonance of Freedom: 77th Republic Day Celebration: January 26, 2026

The 77th Republic Day was commemorated with grandeur and patriotic fervor at Adani Public School, Mundra, marking a pivotal milestone in India's journey of self-governance. On 26th January 1950, the Constitution of India came into force, transforming the nation into a sovereign, democratic republic. This day stands as a timeless reminder of the sacrifices of our freedom fighters and the visionary ideals of our founding fathers. The celebration commenced with the unfurling of the Tricolour by the esteemed Chief Guest, Mr. Ashok Kumar Meena, Assistant Commandant CISF, accompanied by Ms. Ami Shah, Director APSM, Mr. Hemant Kumar Sharma, Principal-cum-Director, and Dr. Renu Patidar, Vice Principal, along with other dignitaries. The resonant strains of the National Anthem and School Anthem filled the air, instilling pride and reverence across the campus.

In recognition of his exemplary service and community initiatives, Mr. Meena was felicitated with a sapling by Principal-cum-Director Mr. Hemant Kumar Sharma, symbolizing growth, gratitude, and commitment to the nation. The March Past was a stirring spectacle of discipline and unity, as contingents of NCC, Navy Cadets, and the four houses—Nanak, Kabir, Tulsi, and Gandhi—marched in perfect rhythm to the beats of the school's Bagpiper. Their synchronized movements embodied patriotism, valor, and the nation's unwavering commitment to sovereignty. Ms. Jiya Prajapati from Grade VIII E & Ms. Yashvi Bhatia from Grade IX E delivered heartfelt speeches, evoking the spirit of courage, sacrifice, and freedom. Their words resonated deeply, inspiring all present to uphold the values enshrined in the Constitution.

Principal Mr. Hemant Kumar Sharma addressed the gathering, reflecting on the sacrifices of India's heroes and expressing gratitude to the CISF, Army, Navy, Air Force, and paramilitary forces for their steadfast service. He emphasized the symbolism of the Tricolour—saffron for courage, white for purity, green for prosperity—and the Ashok Chakra for progress and righteousness, while encouraging students to contribute meaningfully to India's growing economy. The most awaited segment of the day was the Inter-House Patriotic Song Competition, judged by Mr. Parag Sompura, Mr. Durgesh Mali, and Mr. Parimal Parmar. Each house performed with passion and dedication, their melodies echoing love for the Motherland and reverence for the sacrifices of freedom fighters. The results will be announced in the forthcoming school assembly.

Resonance of Freedom: 77th Republic Day Celebration: January 26, 2026

The Chief Guest, Mr. Meena, reflected on the enduring spirit of Republic Day, drawing parallels with the iconic “Vande Mataram”, soon to mark its 150th anniversary. He urged students to embody honesty, responsibility, and compassion—values that have shaped India’s journey. Vice Principal Dr. Renu Patidar delivered a heartfelt vote of thanks, acknowledging the collective efforts that made the celebration memorable. She inspired students to serve the nation through diverse paths—be it medicine, engineering, or the armed forces—reaffirming their role in India’s progress. The celebration concluded with the soulful rendition of the National Song, followed by the distribution of sweets, leaving the gathering imbued with joy, pride, and renewed patriotism.

Resonance of Freedom: 77th Republic Day Celebration: January 26, 2026

Resonance of Freedom: 77th Republic Day Celebration: January 26, 2026

Empowering Educators, Engineering Futures: A Collaborative STEM Enrichment Session: January 28, 2026

STEM learning at Adani Public School, Mundra was significantly strengthened through an enriching and dynamic collaborative session with UTTHAN Sahayak Teachers, conducted in close association with the school's dedicated STEM trainers and teachers on 28th January 2026. The session was thoughtfully facilitated by Ms. Alka C, Ms. Preeti S, and Ms. Rashida H, whose expertise and guidance added depth and direction to the learning experience.

The interaction focused on hands-on instructional strategies, innovative pedagogical practices, and inquiry-based learning approaches aimed at enhancing classroom engagement and instructional effectiveness. Educators actively participated in collaborative discussions and experiential activities designed to translate theoretical concepts into meaningful classroom applications. This initiative served as a powerful platform for professional growth, empowering teachers to design future-ready, student-centric, and experiential learning environments. By fostering creativity, critical thinking, and problem-solving skills, the session reaffirmed the school's commitment to progressive education and continuous professional development.

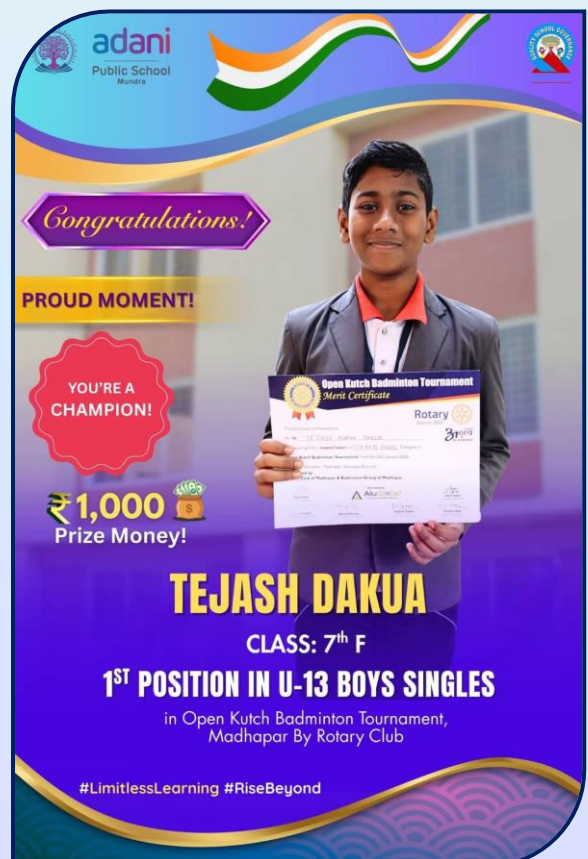

Shuttling Towards Glory: Triumphs of APSM at the Open Kutch Badminton Tournament: January 31, 2026

On 25th January 2026, the prestigious Open Kutch Badminton Tournament was held at Madhapar, bringing together young talents from across the region. Among the shining stars were two students from Adani Public School, Mundra, who showcased exceptional skill, discipline, and sportsmanship.

- **Master Tejas Dakua**, a student of **Grade VII F**, emerged victorious by securing the **First Position in the Under-13 Boys Singles category**. His remarkable agility and unwavering focus on the court earned him this well-deserved achievement.
- **Ms. Jadeja Kyatiba**, from **Grade IX C**, demonstrated outstanding teamwork and resilience, clinching the **First Position in the Under-17 Girls Doubles category**. Her performance was a testament to dedication and perseverance.

Their accomplishments not only brought laurels to the school but also inspired their peers to pursue excellence in both academics and extracurricular activities. To honour their achievements, the Principal-cum-Director Mr. Hemant Kumar Sharma and Vice Principal Dr. Renu Patidar felicitated the winners during the morning assembly on 31st January 2026, applauding their hard work and commitment. The recognition served as a proud moment for the entire APSM family, reinforcing the school's vision of nurturing talent and fostering holistic development.

Champions of Discipline: Triumph at the 15th National Shotokan Karate Championship 2026: January 31, 2026

The students at Adani Public School, Mundra etched their names in glory at the 15th National Shotokan Karate Championship 2026, organized by the esteemed Nichon Shotokan Karate Association. Their remarkable performances not only brought laurels to the institution but also exemplified the virtues of perseverance, discipline, and indomitable spirit. The celebrated achievements are as follows:

- **Ms. Dishita Gandhi (Grade 4A) – Gold Medal & Certificate**
- **Master Aayush Gajendragadkar (Grade 3B) – Bronze Medal & Certificate**
- **Ms. Purvika Algudkar (Grade 6F) – Bronze Medal & Certificate**
- **Master Swayam Chavda (Grade 7D) – Gold Medal, Bronze Medal & Certificate**
- **Master Siddhant Kundu (Grade 7F) – Bronze Medal & Certificate**
- **Master Harshit Kumar (Grade 7F) – Gold Medal, Bronze Medal & Certificate**
- **Master Rishabh Senapati (Grade 8B) – Silver Medal & Certificate**
- **Master Parsh Gupta (Grade 8C) – Gold Medal & Certificate**
- **Master Chitraksh Kaaba (Grade 5D) – Bronze Medal & Certificate**

Each accolade is a testament to the students' unwavering dedication and the rigorous training that shaped their journey. Their victories illuminate the path of excellence and inspire their peers to embrace challenges with courage and conviction. On 31st January 2026, during the morning assembly, the young achievers were formally honored by Principal Sir, Mr. Hemant Kumar Sharma, and Vice Principal Ma'am, Dr. Renu Patidar. The ceremony was a moment of pride and inspiration, as the entire school community celebrated the triumphs of its champions, reinforcing the values of discipline, resilience, and excellence.

Champions of Discipline: Triumph at the 15th National Shotokan Karate Championship 2026: January 31, 2026

Celebrating Global Connections Through Reading: January 31, 2026

The International School Library Month (ISLM) 2025 Bookmark Exchange Program marked a remarkable global celebration of literacy and creativity, witnessing participation from 51 countries worldwide. Observed annually in October, ISLM highlights the pivotal role of school libraries in fostering intellectual growth, creativity, and holistic student development.

Adani Public School, Mundra – Kutch commemorated ISLM 2025 through an engaging Digital Bookmark Exchange Program, as per the official pairing by the International Association of School Librarianship (IASL). The school was partnered with Escola Básica e Secundária Soares Basto, Portugal, and Kodolányi János Gimnázium, Hungary. Students created imaginative digital bookmarks and exchanged them via email, receiving equally inspiring creations that reflected diverse cultures and global perspectives, thus promoting multicultural understanding and international friendship. The initiative proved to be an enriching educational experience, nurturing creativity, reading enthusiasm, and cross-cultural awareness while strengthening meaningful global connections.

Adding to the pride of the institution, **Mr. Suresh Limbachiya, Librarian**, was awarded a **Certificate of Appreciation by the International Association of School Librarianship (IASL)** his exemplary contribution to the **International Bookmark Exchange Project 2025**. The honour was formally presented on 31st January 2026 during the morning assembly by Principal-cum-Director Mr. Hemant Kumar Sharma, in the presence of the school fraternity. This achievement reflects Adani Public School, Mundra's enduring commitment to global citizenship, innovative learning, and the promotion of reading as a lifelong pursuit.

Anchors of Excellence: Celebrating the Triumph of NCC Naval Cadets: January 31, 2026

On 31st January 2026, Adani Public School, Mundra, witnessed a proud and historic moment during its morning assembly. The NCC Naval Wing A Certificate, a distinguished emblem of honor and discipline, was awarded to cadets who successfully completed the rigorous A-course training in the naval wing of the National Cadet Corps. This certification symbolizes their steadfast commitment to service, leadership, and resilience.

The ceremony was graced by the esteemed leadership of Principal-cum-Director Mr. Hemant Kumar Sharma and Vice Principal Dr. Renu Patidar, who, along with the coordinators, personally presented the certificates to the deserving cadets. Their presence and encouragement elevated the occasion, inspiring the students to pursue excellence with renewed vigor. The cadets who proudly received their A-Certificates are:

- **Ms. Anshika Yadav – Grade XI C**
- **Ms. Rida Hingora – Grade XI D**
- **Ms. Suhani Nayal – Grade XI C**
- **Master Kunj Patel – Grade X C**
- **Master Shubham Shamdasani – Grade X C**
- **Master Daivik Parmar – Grade X C**

This achievement resonated as a testament to the indomitable spirit of youth through discipline and perseverance, are prepared to serve the nation with honor and integrity.
