Celestial Sparks of Curiosity: The Science Summer Camp 2026

June 1 - 6: The Science Summer Camp 2026, hosted at Adani Public School, Mundra, unfolded as a radiant celebration of inquiry and innovation. From 1st June to 6th June 2026, young minds from Grade I to Grade VIII embarked upon a six-day odyssey of discovery, where the wonders of physics, chemistry, and natural phenomena were unveiled through enthralling experiments and demonstrations.

Guided by the expertise of Mr. Sarvesh Tripathi from 'Sarvesh Tripathi Max Science', Ahmedabad, the camp transformed classrooms into vibrant laboratories of imagination. Students marveled at the levitation of paper and balls in moving air, conjured foggy dry ice bubbles, and witnessed thick clouds of mist rising from solid carbon dioxide.

Rockets propelled by dry ice ignited their fascination with motion and propulsion, while activities such as foam eruption, cloud formation, elephant toothpaste, centripetal force, smoke rings, and static electricity demonstrations turned abstract concepts into tangible experiences.

Every experiment; from the tactile sensation of dry ice to the spectacle of rocket launching; was conducted under vigilant adult supervision, ensuring safety while nurturing curiosity. The camp's essence lay not merely in demonstrations but in the joy of learning by doing, where observation blossomed into understanding and play evolved into profound scientific thinking.

SCIENCE CAMP HIGHLIGHTS

This immersive journey illuminated the path of inquiry, encouraging students to question, explore, and marvel at the unseen forces shaping the universe. The camp was not just an academic exercise but a festival of wonder, leaving indelible impressions upon every participant.

CAMP CHRONICLES

Glimpses of the Science Summer Camp

Forging Discipline: CATC Rudramata Bhuj 2026

May 31 - June 8: From 31st May to 8th June 2026, Adani Public School, Mundra proudly sent 17 NCC cadets from Grade IX to participate in the Combined Annual Training Camp (CATC) held at Rudramata, Bhuj. The cadets : Piyush, Sagar, Rishav, Yashwardhan, Hardik, Kartik, Aaditya, Devraj, Bhavya, Shery, Divija, Tanvi, Rishika, Aakriti, Aaradhya, Prachi, and Bidisha represented the school with zeal, discipline, and determination. The camp was a vibrant blend of drill competitions, sports, cultural programmes, and personality development sessions, designed to instil leadership, teamwork, and resilience. The cadets also had the privilege of visiting the Air Force Station, and were inspired by the presence of the Group Commander, whose words of encouragement left a lasting impression.

Achievements:

- **Cadet Sagar** secured **2nd Position** in Volleyball.
- **Cadet Yashwardhan** secured **3rd Position** in the Drill Competition.
- **Cadet Rishika** secured **2nd Position** in the 100m Running Race.

These accolades stand as a testament to the cadets' perseverance, discipline, and competitive spirit. Beyond the victories, the camp offered invaluable experiences—interaction with cadets from other schools, exposure to diverse activities, and the strengthening of camaraderie and character. The CATC Rudramata Bhuj 2026 was not merely a camp but a transformative journey, shaping young cadets into disciplined leaders and responsible citizens.

Achiever's Section

Cadet Sagar secured **2nd Position** in Volleyball.

Cadet Yashwardhan secured **3rd Position** in the Drill Competition.

Cadet Rishika secured **2nd Position** in the 100m Running Race.

SPORTS NEWS

Stride of Glory: Gujarat State Athletics Meet 2026

June, 2 - 3: On 2nd and 3rd June 2026, the Gujarat State Athletics Meet was held at Nadiad, Kheda, under the aegis of the Athletics Federation of India (AFI). The prestigious event served as a selection platform for the forthcoming national meet, drawing spirited participation across the Under-20 and Open Age categories.

Amidst fierce competition and electrifying performances, Master Prasmit Purkayastha from Grade XII B of Adani Public School, Mundra distinguished himself with commendable achievements. He secured the 3rd position in the 100m sprint, clocking an impressive timing of 11.50 seconds, and attained the 5th position in the 200m race with a timing of 23.67 seconds.

His performance reflected not only athletic prowess but also determination, discipline, and resilience. The meet was a celebration of youthful energy, perseverance, and the relentless pursuit of excellence. Prasmit's achievements brought pride and honour to APS Mundra, inspiring fellow students to embrace sportsmanship and strive for distinction in both academics and athletics.

Bridging Horizons: Parents' Orientation Programme 2026

June, 2: Adani Public School, Mundra successfully conducted its Parents' Orientation Programme for **the guardians of Class III students, newly admitted students of Classes IV and V, and Class I RTE students.** The programme served as a luminous platform to acquaint parents with the school's academic framework, assessment practices, and collaborative philosophy of holistic child development..

The event commenced with a sacred prayer, invoking blessings for a fruitful academic year. A warm ceremonial welcome followed, extending heartfelt greetings to all parents and guardians.

A session on **"Parents and School Working in Partnership for a Child's Learning"** emphasized the indispensable role of collaboration between home and school in nurturing both intellectual and emotional growth. The gathering was graced by **Principal-cum-Director, Mr. Hemant Kumar Sharma,** who eloquently articulated the school's vision, values, and unwavering commitment to quality education. His address highlighted the pivotal role of parents as co-architects in the learning journey of every child.

Vice Principal, Ms. Neha Khanvani, further illuminated the gathering with insights into educational practices, student welfare initiatives, and expectations for the academic year. The academic segment was meticulously conducted by **Ms. Priti Sharma and Ms. Milan Sampat, Academic Coordinators**, who explained the curriculum design, assessment schedule, and evaluation methodologies. Their presentation offered parents a lucid understanding of the teaching-learning process and the school's structured approach to academic excellence.

An interactive Question and Answer Session followed, enabling parents to seek clarifications and engage in meaningful dialogue with the school leadership and academic team. The programme concluded with a heartfelt Vote of Thanks, acknowledging the presence and active participation of parents. The seamless anchoring by Ms. Lata Chudasama and Ms. Anita Pane lent grace and coherence to the proceedings, ensuring the event's resounding success.

Parent Orientation 2026 -27 Primary Section

Return of Radiance: School Reopening 2026

June, 8: On 8th June 2026, Adani Public School, Mundra reopened its gates after the summer break, welcoming students from Grades I to XII into an atmosphere brimming with warmth, vitality, and renewed purpose. The reopening marked not merely the end of a vacation but the resurgence of youthful energy and academic zeal, as children returned with radiant smiles and hearts eager to embrace the rhythm of school life once again.

The corridors, once silent during the recess, now resonated with laughter, camaraderie, and vibrant enthusiasm, reflecting the joy of reunion among peers and the eagerness to reconnect with teachers. The classrooms came alive with animated conversations, cheerful exchanges, and the unmistakable spirit of curiosity that defines the essence of learning.

The reopening day symbolized a fresh chapter of growth and discovery, as students stepped forward with renewed determination to pursue knowledge, creativity, and holistic development. The cheerful faces and spirited participation of learners underscored the school's role as a sanctuary of inspiration, where every child is nurtured to explore, question, and excel.

The event was not only a celebration of return but also a reaffirmation of the school's enduring commitment to academic excellence, character building, and joyful learning. The reopening after the summer break served as a reminder that education is a continuous journey; one that thrives on resilience, renewal, and the collective pursuit of wisdom.

Foundations of Harmony: Pre-Primary Parents' Orientation 2026

June 8: Adani Public School, Mundra conducted its Pre-Primary Parents' Orientation Programme with the noble objective of acquainting parents with the school's vision, curriculum, policies, and teaching-learning practices. The session was designed to strengthen the bond between home and school, ensuring a nurturing and enriching environment for every child.

The programme commenced with a warm ceremonial welcome, followed by an inspiring address by Principal-cum-Director, Mr. Hemant Kumar Sharma. He emphasized the importance of a strong partnership between parents and educators in shaping the future of children, encouraging parents to actively participate in their child's educational journey. His words reaffirmed the school's commitment to providing a safe, stimulating, and holistic learning environment. Vice Principal, Ms. Neha Khanvani, addressed the gathering with clarity and precision, elaborating on school policies and procedures. She highlighted the significance of punctuality, discipline, regular attendance, and effective communication between parents and teachers, underscoring the collaborative role parents play in supporting their child's growth and development.

The session was further enriched by Ms. Suvija Nair, the resource person, who introduced the Kangaroo Kids Curriculum. She explained its child-centric approach and focus on holistic development, offering parents insights into how learning experiences nurture cognitive, social, emotional, physical, and creative growth.

A key highlight of the orientation was the introduction of the 15 Habits of Mind and 9 Future Skills, integral to the school's learning framework. Parents gained an understanding of how these skills cultivate critical thinking, creativity, adaptability, collaboration, resilience, and effective communication—preparing children for the challenges of tomorrow.

The session remained interactive throughout, with parents actively engaging in discussions, asking questions, and sharing reflections.

EVENT HIGHLIGHTS

Guiding Pathways: Parent Orientation Programme 2026

Adani Public School, Mundra successfully conducted the Parent Orientation Programme for the senior grades, reaffirming its commitment to fostering collaboration between educators and parents. The sessions were held on 6th June 2026 for Grade IX, 10th June 2026 for Grade X, and 13th June 2026 for Grade XII, each designed to provide clarity, guidance, and shared expectations for the academic year.

The Academic coordinator of Grades IX to XII; Mr. Parimal Parmar presented a detailed overview of academics, highlighting the curriculum framework, assessment strategies, and expectations from students. Their presentation emphasized the importance of discipline, consistency, and active parental involvement in ensuring academic success and holistic growth.

Ms. Jasmine Rozario, Vice Principal of the Middle and Secondary Section, addressed the gathering with an insightful briefing on the school's rules, regulations, and expectations. Her words underscored the significance of responsibility, respect, and resilience in shaping the character of young learners.

The programme concluded with an inspiring address by Principal-cum-Director, Mr. Hemant Kumar Sharma, who emphasized the shared responsibility of parents and educators in nurturing students to become confident, responsible, and future-ready individuals. His words resonated deeply, leaving parents motivated to partner actively with the school in their child's educational journey. Overall, the orientation proved to be a fruitful and enlightening session, strengthening the bond between the school and parents while setting a clear roadmap for academic excellence and personal development.

EVENT HIGHLIGHTS

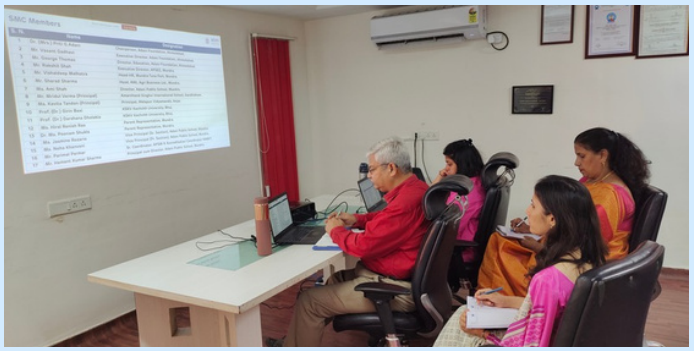

Benchmarking Excellence: School Management Committee Meeting 2026

June , 13: Adani Public School, Mundra convened its School Management Committee Meeting online, reaffirming its dedication to academic advancement, policy refinement, and institutional transparency. The meeting served as a vital forum where stakeholders engaged in open dialogue, reviewing the school's Unique Selling Propositions (USPs) with a central focus on Benchmarking; a strategic practice to measure, refine, and elevate standards of excellence.

Principal-cum-Director, Mr. Hemant Kumar Sharma, presented a comprehensive report highlighting school operations, staff performance, and students' achievements at district, state, and national levels. He also outlined developmental initiatives and upcoming plans, ensuring clarity of vision and continuity of progress. The session brought to light the actions taken since the last meeting, underscoring the school's commitment to accountability and sustained growth.

The deliberations emphasized benchmarking as an indispensable tool to align institutional goals with global educational standards, thereby fostering innovation, academic rigor, and holistic development. The collaborative spirit of the committee reflected APS Mundra's unwavering pursuit of excellence.

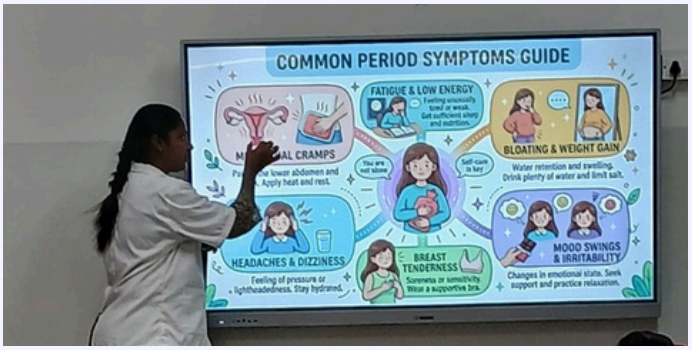

Empowering Dignity: Menstruation Awareness Session 2026

June , 13: The School organized a Menstruation Awareness Workshop for the girls of Grades V to VII, conducted jointly by **Ms. Munira Khoja, School Nurse, and Ms. Anushri Shevde, Counsellor.** The session was thoughtfully designed to educate young learners on the importance of menstrual hygiene, instilling confidence, awareness, and dignity while dispelling fear and hesitation surrounding the subject.

The facilitators explained with clarity and sensitivity that menstruation is a natural biological process, and maintaining hygiene during this period is essential for both physical well-being and emotional comfort. Students were guided on the proper use of sanitary pads, their safe disposal, and the importance of handwashing practices. The workshop emphasized adopting clean and sanitary methods to ensure health, resilience, and self-assurance. The session also included an interactive question-and-answer segment, allowing students to voice their concerns and clarify doubts. This open dialogue helped them overcome apprehensions, fostering a supportive environment where knowledge replaced fear and confidence replaced hesitation.

The workshop proved to be informative, empowering, and transformative, equipping young girls with practical knowledge and instilling in them the courage to embrace this natural process with dignity and self-confidence. It reflected the school's commitment to nurturing holistic development and ensuring the well-being of every learner.

Legacy of Knowledge: Book Donation Campaign 2026

June , 15: The Student Council of Adani Public School, Mundra, accompanied by the Senior Kindergarten students, visited **Vallabh Vidyalaya** to donate a remarkable collection of **over 500 books.** The donation included storybooks, philosophical works, biographies, and reference materials in diverse languages such as Gujarati, Hindi, and English, symbolizing the school's commitment to fostering literacy, cultural inclusivity, and intellectual enrichment.

This noble initiative was the culmination of the Book Donation Campaign officially launched on 12th September 2025 by the Student Council. From September 12 to September 22, 2025, targeted campaigning posters were designed and displayed across all school blocks to inspire students to expand their reading habits and contribute meaningfully to the cause. The drive continued for subsequent months, ensuring maximum inventory and diversification of genres, thereby enriching the final collection.

The campaign reflected the spirit of generosity, collaboration, and shared responsibility, as students united to pass forward the gift of knowledge. The donation not only strengthened the bond between institutions but also created opportunities for young learners to explore new worlds through books, cultivating curiosity, imagination, and lifelong learning. The initiative stood as a testament to the vision of APS Mundra, where education transcends classrooms and extends into acts of service, compassion, and community building.

Book Donation Campaign, 2026

Empowering Safety: First Aid Training for APS Transport Staff

June, 15: Adani Public School, Mundra organized a vital First Aid Training Programme for its bus drivers, underscoring the institution's commitment to safety and well-being. The session was conducted by Ms. Munira Khoja, Nursing Staff at APS Mundra, who imparted essential knowledge and practical skills to ensure that drivers are equipped to respond effectively in emergencies.

The training emphasized the importance of immediate medical assistance during unforeseen incidents, particularly in the context of student transportation.Drivers and the conductors were trained in the correct usage of the first aid kits provided in every school bus, with demonstrations on handling minor injuries, stabilizing conditions until professional help arrives, and maintaining composure during critical situations.

Through interactive guidance, Ms. Khoja highlighted the role of first responders in safeguarding lives, reinforcing that preparedness and awareness are indispensable in ensuring student safety. The programme instilled confidence among the drivers, empowering them to act responsibly and decisively in times of need. This initiative reflected APS Mundra's holistic vision of education where academic excellence is complemented by a strong emphasis on health, safety, and community responsibility.

Illuminating Inquiry: Action Research Training 2026

June 17: Adani Public School, Mundra organized a transformative training session for teachers on the theme of **Action Research**, conducted by the esteemed Principal-cum-Director, Mr. Hemant Kumar Sharma. The programme was designed to empower educators with the tools of reflective practice, enabling them to investigate classroom challenges systematically and evolve innovative solutions that enhance teaching and learning.

Mr. Sharma eloquently explained the concept and methodology of action research, emphasizing its role as a dynamic cycle of planning, acting, observing, and reflecting. He highlighted how teachers, through structured inquiry, can bridge the gap between theory and practice, thereby fostering continuous improvement in pedagogy. The session underscored that action research is not merely an academic exercise but a professional responsibility, equipping educators to adapt to diverse learner needs and cultivate a culture of evidence-based teaching.

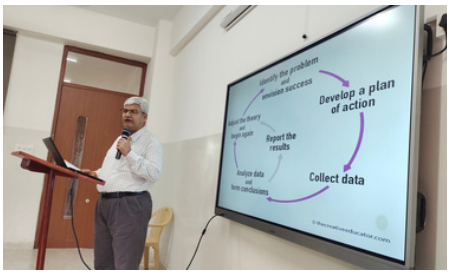

Through engaging examples and practical insights, Principal-cum-Director Sir inspired teachers to view themselves as researchers in their own classrooms, capable of generating knowledge that directly impacts student outcomes. The training encouraged educators to adopt a mindset of curiosity, resilience, and innovation, reaffirming that reflective practice is the cornerstone of professional growth.

The session proved to be fruitful and enlightening, leaving teachers motivated to integrate action research into their daily practice and to contribute meaningfully to the school's vision of holistic education.

EVENT HIGHLIGHTS

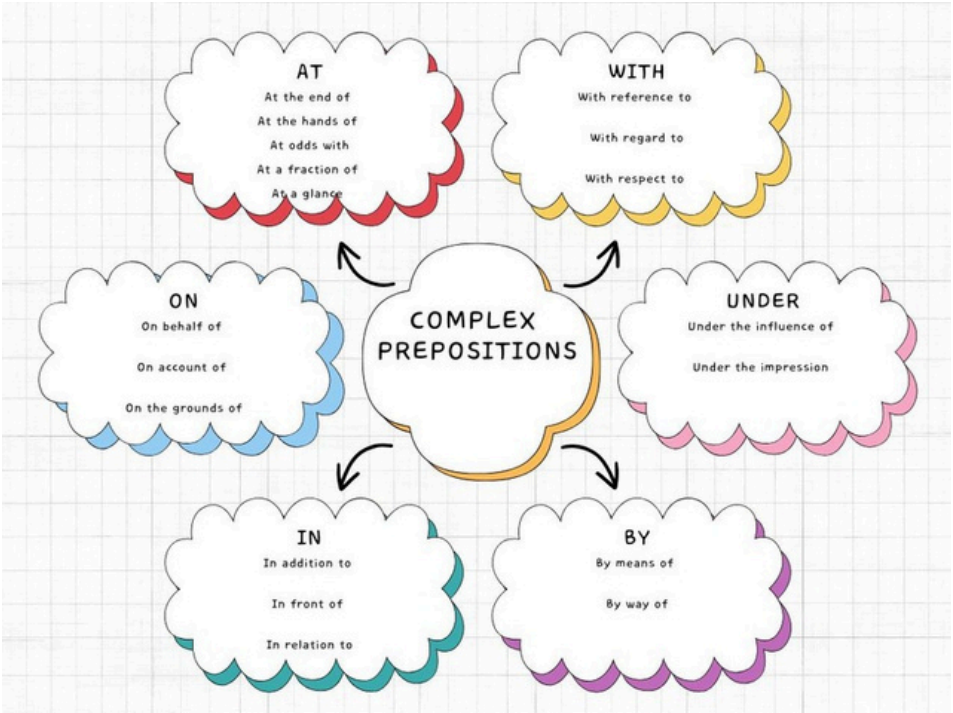

Celebrating Excellence through Lifelong Learning and Distinguished Achievement

June, 19: It was a matter of immense pride and jubilation for our institution as **Ms. Sneha Khambhalia** was felicitated during the Morning Assembly by the **Principal – cum –Director Mr. Hemant Kumar Sharma along with the Vice Principals & the Coordinators** for her remarkable achievement and unwavering commitment to professional learning. The entire school fraternity witnessed this inspiring moment with great admiration and applause, making the occasion truly memorable.

Her achievement reflects not only her personal dedication but also the institution's collective vision of fostering a culture of professional growth, creativity, and academic innovation. Such accolades inspire educators to remain lifelong learners and motivate them to contribute meaningfully to the ever-evolving landscape of education.

The Morning Assembly resonated with immense pride as the school community wholeheartedly congratulated Ms. Sneha Khambhalia on this well-deserved recognition. Her accomplishment stands as a beacon of inspiration for colleagues and students alike, reaffirming that perseverance, active participation, and an earnest desire to learn invariably lead to success and distinction.

Ms. Sneha Khambhalia was honoured for earning exclusive Canva goodies in recognition of her enthusiastic and consistent participation in the Canva Education Sessions, meticulously organized for Adani Foundation Schools. Her exceptional zeal for continuous learning, active engagement in every session, and unwavering dedication towards enhancing her pedagogical expertise distinguished her among the participants. The felicitation served as a testament to her relentless pursuit of excellence and her commitment to embracing innovative teaching methodologies.

Bridging Horizons: Parents–Teacher Meeting for Pre-Periodic Assessment-I

June 20: APS, Mundra successfully conducted the Parents–Teacher Meeting (PTM) with the primary objective of preparing parents and students for the forthcoming Pre-Periodic Assessment-I (PA-I). The meeting served as a vital platform to strengthen collaboration between the school and parents, ensuring the holistic academic and personal development of every learner.

The class teachers provided a comprehensive briefing on the PA-I examination schedule, syllabus, assessment pattern, and essential guidelines. Parents were encouraged to support their children in cultivating disciplined study routines, maintaining focus, and preparing effectively for the assessments.

A significant highlight of the meeting was the announcement of changes in the assessment system. It was communicated that the Cycle Test system has been discontinued, and from the current academic session, Class Tests will be conducted at regular intervals to monitor continuous learning and academic progress.

Teachers engaged in meaningful discussions with parents regarding each student's academic performance, classroom participation, discipline, attendance, and overall growth. Achievements and positive qualities were appreciated, while areas requiring improvement were identified with constructive suggestions. Strategies were shared to help students enhance their study habits, strengthen academic skills, and develop positive behaviour both at school and at home.

Parents actively participated in the dialogue, offering observations, seeking clarifications, and sharing valuable feedback.

Their involvement reflected a spirit of partnership and mutual commitment to the success of their children. The meeting concluded with a reaffirmation of the school's dedication to nurturing a strong bond between educators and parents, recognizing that such collaboration is the cornerstone of holistic growth and academic excellence.

EVENT HIGHLIGHTS

Nurturing Balance: Teachers' Wellness Training Programme

June 20: Adani Public School, Mundra organized a Teachers' Wellness Training Programme with the noble objective of promoting holistic well-being, self-care, and mindfulness among its teaching fraternity. The session was conducted by **Dr. Veerendra Aryavrat, Associate Manager at Adani Ports**, whose profound insights and practical guidance inspired participants to embrace wellness as a way of life.

He illuminated the concept of the different levels of energy within the human body, explaining how thoughts, habits, and daily lifestyle choices influence these energies. He demonstrated simple yet effective techniques to preserve positive energy, prevent unnecessary energy drain, and rejuvenate vitality through yoga, breathing exercises, meditation, and mindful living. A central focus of the programme was the importance of self-care, reminding educators that to nurture young minds effectively, they must first safeguard their own physical, emotional, and mental health.

He encouraged teachers to cultivate positive thinking, emotional balance, healthy routines, gratitude, and self-awareness as essential elements of both personal growth and professional excellence.

The session also encompassed stress management strategies, relaxation techniques, conscious breathing practices, and the significance of harmony between body, mind, and soul. Teachers actively engaged in the practical activities and meditation exercises, experiencing a profound sense of calmness, renewed energy, and inner equilibrium.

The programme served as a transformative learning experience, reinforcing the truth that wellness is not merely the absence of illness but a continuous journey of self-awareness, resilience, and positive living. It reaffirmed that educators who are physically healthy, emotionally resilient, and mentally balanced are best equipped to create nurturing classrooms and inspire their students.

EVENT HIGHLIGHTS

Harmony in Motion: Pre-Primary International Yoga Day Celebration

June 22: The Pre-Primary section of Adani Public School, Mundra celebrated International Yoga Day with great enthusiasm and vitality. The programme was thoughtfully designed to promote physical well-being, mental wellness, and healthy lifestyle habits among young learners.

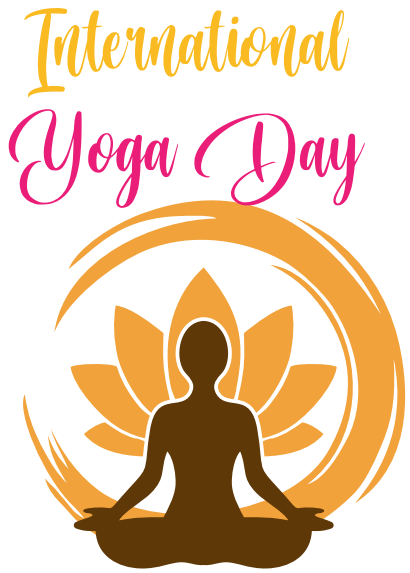

The celebration commenced with a brief introduction to the essence and benefits of yoga, highlighting its role in cultivating a healthy body and a calm, focused mind. Under the guidance of their teachers, the children actively participated in simple yet effective yoga postures such as Tadasana, Vrikshasana, Butterfly Pose, and Sukhasana.

Breathing exercises and mindfulness activities were also conducted to enhance concentration, relaxation, and emotional balance.

The teachers enriched the session by incorporating music, storytelling, and playful movements, transforming yoga into a joyful and interactive experience. The young learners displayed remarkable enthusiasm and energy, embracing the practices with radiant smiles and spirited participation.

The celebration proved to be a meaningful and enriching experience, instilling in children the values of fitness, discipline, and inner peace from an early age. The successful conduct of the programme reflected the school's unwavering commitment to nurturing healthy, happy, and confident learners.

EVENT HIGHLIGHTS

International Yoga Day Celebration

Glimpses of the Yoga Day Celebration in the Morning Assembly

Resilience Within: Stress Management Webinar 2026

June 23: A one-hour online webinar on Stress Management, conducted by Ms. Kashish Jain, Counsellor. The session was designed to equip teachers with insights into understanding stress, recognizing its causes and symptoms, and adopting practical techniques to manage it effectively.

Ms. Jain explained that stress, though a natural part of life, can be constructively managed with the right mindset and strategies. She elaborated on common causes of stress among students, including academic pressure, examinations, peer influence, family expectations, and time management challenges.

Her guidance emphasized the importance of cultivating positivity, resilience, and the courage to seek support whenever needed. The session was enriched with practical techniques and relatable examples, enabling participants to comprehend stress management not merely as a coping mechanism but as an essential life skill. Teachers were encouraged to foster emotional well-being in students by modelling calmness, balance, and proactive problem-solving.

The programme concluded with a powerful message: seeking support is not a weakness but a sign of strength. The webinar proved to be highly informative, engaging, and beneficial, leaving participants with actionable strategies to enhance both their own well-being and that of their students.

A Symphony of Unity: Special Assembly for Adani Day

June 24: APS, Mundra conducted a special assembly to commemorate the birthday of the honourable Chairman of the Adani Group, Shri Gautam Adani. The occasion was marked with reverence and enthusiasm, as the students of Grade II E presented the assembly with grace and creativity.

A historic highlight of the day was the launch of the new School Anthem for Adani Schools, a resonant melody symbolizing unity, pride, and shared vision. In a remarkable moment of solidarity, all the students joined in unison to sing the anthem together, creating an atmosphere of collective harmony and inspiration.

Following the assembly, students of Grades VI to VIII gathered in the auditorium to witness the anthem video presentation, further deepening their sense of belonging and pride in the institution.

The anthem served not only as a song but as a symbol of identity and aspiration, instilling values of dedication, unity, and excellence among the young learners. The special assembly was a memorable and dignified celebration, reflecting the school's commitment to honouring its leadership while fostering a spirit of togetherness and pride among students.

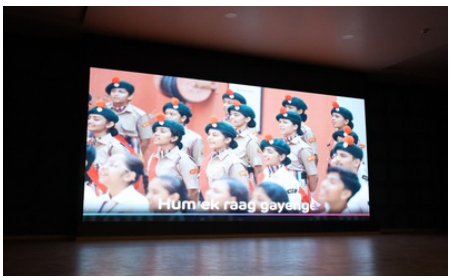

EVENT HIGHLIGHTS

Empowering Choices: Webinar on Understanding Peer Pressure

June 25: APS, Mundra organized an insightful online webinar on the topic "Understanding and Managing Peer Pressure". The session was conducted by Ms. Anusha Tyagi, counsellor & Counselling Psychologist, with the objective of guiding students to recognize the dynamics of peer influence and empowering them to make independent, healthy, and value-driven decisions.

The webinar was highly informative, interactive, and engaging. Ms. Tyagi explained the meaning of peer pressure with clarity, illustrating its effects through relatable examples and practical scenarios. Her guidance emphasized the importance of self-awareness, resilience, and confidence in resisting negative influences while embracing positive peer interactions.

Students were encouraged to build healthy relationships, remain steadfast in their values, and exercise wise judgment in everyday life.

The session provided them with practical strategies to face peer pressure courageously, reinforcing the belief that true strength lies in authenticity and self-respect. The programme proved to be a meaningful and empowering experience, equipping learners with essential life skills to navigate social situations with confidence and integrity. It reflected the school's commitment to nurturing responsible, self-assured, and emotionally resilient individuals.

Illuminating Minds: CBSE Regional Science Exhibition 2025

June, 27: On 27th and 28th November 2025, two promising students of Adani Public School, Mundra; **Master Meetrajsinh Zala and Master Krishnarajsinh Zala of Grade IX B** proudly represented the institution at the **CBSE Regional Science Exhibition held in Vadodara.** Guided and accompanied by **Mr. Ajay S,** the students showcased their project with diligence and creativity, earning a certificate of participation that marked their contribution to scientific exploration and innovation.

The exhibition provided them with an invaluable platform to interact with peers from across the region, exchange ideas, and gain exposure to diverse scientific perspectives. Their participation reflected APS Mundra's commitment to nurturing curiosity, critical thinking, and future-ready learners.

In recognition of their efforts, the students were honored in the morning assembly on **27th June 2026** by Principal-cum-Director, Mr. Hemant Kumar Sharma, along with the Vice Principals & the Coordinators applauded their dedication and encouraged them to continue their pursuit of scientific excellence.

Voices of Tomorrow: Dunes Youth Parliament, 2026

June 27 - 28: Adani Public School, Mundra proudly participated in the Dunes Youth Parliament at Dunes College, Gandhidham, a prestigious platform designed to cultivate leadership, public speaking, and civic awareness among young learners. The event provided students with a unique opportunity to experience the functioning of a real parliamentary system, engaging in debate, deliberation, and democratic dialogue.

A delegation of 24 enthusiastic students from Grades VIII to XI represented APS Mundra with confidence, curiosity, and commitment. The vibrant forum witnessed active involvement from schools across the region, creating a dynamic exchange of ideas, perspectives, and leadership qualities. Our students immersed themselves in committee sessions, policy discussions, and floor debates, demonstrating maturity, preparation, and respect for diverse viewpoints. Their teamwork and articulation earned appreciation from moderators and peers alike. The experience provided invaluable exposure to parliamentary procedures, critical thinking, and public speaking—skills that will serve them far beyond the classroom.

In a moment of immense pride, **Master Himanshu Kumar of Grade VIII F and Miss Priyasha Das of Grade IX E,** secured distinguished positions among all participants. Their eloquence, insight, and dedication brought glory to APS Mundra, reflecting the talent of its learners, the guidance of its teachers, and the nurturing environment of the institution. The Dunes Youth Parliament was more than an event; it was a training ground for future leaders, inspiring every participant to dream big, speak with conviction, and lead with integrity. The school congratulates all the 24 participants for their spirited involvement and especially applauds the achievers for bringing honours to APS Mundra.

Mandate of Minds: Student Council Elections 2026

June 29-30: On **29th June 2026**, Adani Public School, Mundra witnessed the spirited campaign for the Student Council Elections, a vibrant exercise in democracy that allowed young voices to present their vision, ideas, and aspirations. The following day, **30th June 2026**, the school conducted the voting process, wherein students from Grades VI to XII cast their ballots to elect representatives for various positions in the Student Council.

The campaign day was marked by enthusiasm and healthy competition, as candidates addressed their peers with confidence and conviction, outlining their plans to foster **discipline, teamwork, and innovation** within the school community. The atmosphere was charged with youthful energy, reflecting the eagerness of students to participate in shaping the leadership of their institution.

The voting process was conducted with discipline, transparency, and fairness, ensuring that every student's voice was heard. The act of casting votes instilled in learners a sense of responsibility, civic awareness, and respect for democratic values. The participation of students across grades highlighted the school's commitment to nurturing leadership qualities and preparing future citizens who understand the significance of choice and accountability.

The Student Council Elections 2026 were not merely an event but a lesson in democracy, integrity, and collective responsibility. They provided students with an invaluable opportunity to experience the essence of leadership and governance, reinforcing the belief that true leaders emerge from the trust and confidence of their peers.

Guardians of Nature: Wetlands Exploration

June, 30: The students of **Grade VIII D & E** from Adani Public School, Mundra, accompanied by **Ms. Sneha Khambhalia (Languages) and Ms. Kavita Pandey (Social Science)**, undertook an enlightening educational excursion to the Luni coast, a region renowned for its ecological richness and conservation initiatives. Guided by **Dr. Mansi Goswami of the Adani Foundation**, the learners delved into the intricate world of wetlands, mangroves, and intertidal biodiversity, gaining firsthand experience of nature's resilience and harmony.

The visit highlighted the transformation of the Luni coastal belt into dense mangrove forests, achieved through the plantation of nearly 840,000 saplings across 162 hectares. At its heart lies a multi-species **Mangrove Biodiversity Park, featuring Avicennia marina, Rhizophora mucronata, and Ceriops tagal.** These plantations have strengthened ecological resilience, enriched habitat diversity, and generated tangible outcomes, supporting **mudskippers, crabs, catfish, molluscs, and other marine species.** The dense mangrove root systems now serve as **breeding and nursery grounds, stabilizing shorelines, sequestering carbon, and shielding communities against cyclones and erosion.**

Students observed the fascinating behaviour of **white crabs (Ocypode spp.)**, their burrow-casting activities, and the presence of **sea snails, deepening their appreciation of intertidal life.** The session emphasized how mangroves not only safeguard biodiversity but also sustain local fishermen by enhancing fisheries and ecosystem services. Equally inspiring was the role of community participation. Local fisherfolk actively contribute to nursery development, plantation, and maintenance, especially during off-fishing seasons. This involvement builds ownership of conservation efforts while providing alternative livelihoods, reinforcing the bond between ecological sustainability and socio-economic resilience

Structured initiatives such as **mangrove enrichment programme and coastal bio-shield development** further protect coastlines from salinity ingress and extreme weather, while improving habitats for marine and terrestrial species.

The excursion proved to be a **transformative learning experience**, instilling in students a sense of environmental stewardship and responsibility. It underscored that wetlands are not mere landscapes but living ecosystems—guardians of biodiversity, protectors of communities, and pillars of sustainability.
