Co – Curricular Activity

June 14, 2025

The APS Mundra CCA team organized various co – curricular activities for students in Classes I to XII during their regular CCA periods.

Classes I & II "Show and Tell"

Show and Tell is a chance for the tiny tots to bring something special from home and talk about it with their friends and teacher. The students presented a variety of items, from Earth-inspired drawings and recycled crafts to models of plants and animals, storybooks, and soil samples. Each presentation was deeply personal, with students explaining why their chosen item held special significance and how they plan to contribute to the well-being of our planet.

Classes III to V JAM (Just a Minute)

Students in classes III to V recently participated in a "Just a Minute" (JAM) activity. This exciting event challenged them to speak confidently for one minute on a surprise topic assigned on the spot. It was a fantastic way for students to practice thinking on their feet, articulating their thoughts clearly, and boosting their public speaking abilities.

The students were accompanied by Sports teacher Mr. Hitesh Maheshwari. APS Mundra proudly represented Gujarat at the West Zone National Level Competition, competing against 11 other teams. While we didn't secure a top position, students received a great exposure. All the participants received participation certificates.

Drop Everything and Read (D.E.A.R)

June 28, 2025

The D.E.A.R program is a school initiative that encourages students to take dedicated time to read and develop a love for reading. It is a designated time, usually daily/ weekly/as planned, when everyone in the school – students, teachers, and even other staff – stops whatever they are doing and quietly dive into silent reading for the pleasure of it. The objective is to promote a reading culture and foster a love for books among students. It encourages students to develop reading habits, improve literacy skills and enjoy quiet time for personal growth.

On June 28, 2025, students from Classes II to XII, alongside their teachers, joyfully participated in our D.E.A.R. (Drop Everything and Read) activity during the 4th and 5th periods. It was a wonderful sight to see everyone engrossed in books brought from home, highlighting the power of shared reading.

Co – Curricular Activity

June 28, 2025

Co-curricular activities in schools are thoughtfully curated to enrich the academic curriculum, offering students meaningful opportunities to cultivate their talents, interests, and overall personality. At APS Mundra, the CCA team meticulously organized a diverse range of activities for students from Classes II to XII. These activities were effectively conducted during their designated CCA periods.

Class II : PROP UP- DANCE COMPETITION

It's a dance competition where props are not just accessories but integral to the performance. Dancers must creatively use one or more chosen props as a central element of their choreography, storytelling, or visual presentation.

In this joyful dance activity, students performed using props—such as a dupatta, hat, stick, or any other creative item.

Class III to IX and XI : GREEN WORLD QUIZ

A "Green World Quiz" is a fun and educational way to test knowledge about environmental issues, sustainability, and nature. The Green World Quiz co-curricular activity aimed at deepening students' understanding of environmental issues and sustainability through an engaging quiz format. Students attempted the Green World Quiz exam paper provided by the school.
