"A Place to Learn; A Space to Grow"

IGKO & ICO Olympiads

November 7, 2025

In a world shaped by awareness and informed action, general knowledge is not merely a subject—it is the foundation of responsible citizenship and visionary leadership. Olympiads, both national and international, stand as intellectual crucibles where young minds are tested, refined, and celebrated. They offer students a rare opportunity to rise beyond textbooks, embrace curiosity, and prepare for the competitive challenges of tomorrow.

Among these prestigious platforms, the International General Knowledge Olympiad (SOF IGKO) shines as a beacon of interdisciplinary excellence. Conducted by the Science Olympiad Foundation for students from Classes 1 to 10, IGKO is designed to nurture a deep understanding of current affairs, history, geography, social and political developments, and more. It is not just an exam—it is a gateway to global awareness and critical thinking.

On November 7, 2025, Adani Public School proudly hosted the IGKO Olympiad within its vibrant campus. This year, an impressive 190 students from Classes 1 to 10 stepped forward to participate, each one embodying the spirit of inquiry and determination. The examination was conducted smoothly during regular school hours under the attentive supervision of our dedicated educators, ensuring a disciplined and encouraging environment for all participants. The seamless execution of this large-scale academic endeavor was made possible by the meticulous planning and heartfelt commitment of the Olympiad Committee, led by Ms. Alka Chavda. Their efforts reflected the school's ethos of excellence, inclusion, and holistic development.

The school also proudly hosted the SOF ICO within its premises during regular school hours. Under the vigilant supervision of our dedicated educators, 15 aspiring commerce scholars stepped forward to embrace this challenge, showcasing their preparation, confidence, and commitment to excellence. The event was conducted with precision and grace, thanks to the meticulous planning and heartfelt dedication of the Olympiad Committee, led by Ms. Alka Chavda. Their efforts ensured a seamless experience for every participant, reflecting the school's unwavering commitment to nurturing talent and fostering academic pride.

Khel Mahakumbh, 2025 — A Strategic Showcase of Excellence : November 8, 2025

On the 8th of November 2025, Adani Public School, Mundra proudly marked its presence at the Taluka Level Chess Tournament, held under the esteemed banner of Khel Mahakumbh 2025 at St. Xavier's School, Mundra. Competing in the Under-17 and Under-14 categories, the tournament brought together some of the brightest young minds from across the region, each move on the board echoing strategy, resilience, and silent determination. In this arena of intellect and composure, the students of APS Mundra emerged as true champions, securing accolades that reflected not only personal mastery but also the school's unwavering commitment to holistic excellence. The following students were the Champions of the Mind Game:

- Shreya Raval (Class 11B) – 1st Position in Under-17 Girls category
- Ananya K (Class 6F) – 3rd Position in Under-14 Girls category
- Manav Padhiyar (Class 5C) – 4th Position in Under-14 Boys category

These victories transcended the realm of medals—they became milestones in a journey defined by discipline, strategic thinking, and quiet confidence. Each student demonstrated not only exceptional skill but also the grace and grit that define true sportsmanship. The chess prodigies of Adani Public School were congratulated with heartfelt pride for their outstanding performance. Their achievements stood as a shining testament to the power of focused minds, disciplined effort, and the quiet strength of nurturing mentorship. Every triumph on the board reflected not just strategic brilliance, but the spirit of perseverance and grace under pressure.

Empowering Young Diplomats, Inspiring Global Change : AMUN : November 10 & 11, 2025

Adani Public School orchestrated a distinguished two-day Adani Model United Nations (AMUN) at Shantivan Club House on 10th–11th November 2025, a seminal initiative designed to inculcate awareness of diplomacy, global affairs, and the mechanisms of the United Nations, while simultaneously cultivating erudition, eloquence, negotiation, and leadership acumen.

A cohort of 100 delegates from 25 nations (Classes VII–IX) and 13 Class XI students in pivotal roles—Secretary General, Speakers, Drafting, and Logistics—were meticulously mentored through rigorous research, position papers, and mock deliberations. The inaugural day commenced with a majestic bagpiper band and ceremonial rituals, followed by the oath administered by Dr. A.N. Ghosh (Dean, Gujarat Adani Institute of Medical Sciences – GAIMS, Bhuj) and the Judges for the event were Mr. Nirdesh Buch (In-charge Principal, SRK Institute) and Ms. Shreya Ghosh (Examiner, IB Assessment Centre, Cardiff, United Kingdom). Fifteen nations articulated their perspectives, culminating in two resolutions. Day 2 welcomed ten further nations, presided over by eminent guests; Mr. Mridul Verma (Principal, Amarchand Singhvi School, Gandhidham) & the Judges were: Mr. Atul Kanhaiya (Assistant Professor, Kutch University) and Mr. Nirdesh Buch (In-charge Principal, SRK Institute) with two additional resolutions ratified. Accolades honored excellence across categories, with the U.S.A. delegation securing the Best Team Trophy.

Empowering Young Diplomats, Inspiring Global Change : AMUN : November 10 & 11, 2025

Measuring More Than Distances: Inspiring Young Minds to Shape Tomorrow: November 10, 2025

To deepen the understanding of the chapter "Measurement", an innovative and engaging Mathematics activity was organized for the curious minds of Grade 2. The initiative aimed to bridge classroom learning with real-world applications, offering students a glimpse into the fascinating world of modern measurement.

Students were introduced to advanced instruments such as the Total Station Machine, Level Machine, and Distometer—precision tools widely used by engineers and surveyors. These machines, designed to measure distances, angles, and levels with remarkable accuracy, opened a window into how mathematics powers construction, land surveying, and countless real-life tasks. The young learners were captivated as they observed these machines in action. Their excitement reflected the joy of discovering how the simple concepts of scale, tape, and ruler evolve into sophisticated technologies that shape the world around us. This hands-on exposure transformed abstract textbook lessons into tangible experiences. By linking basic measuring tools to advanced applications, the activity not only enriched their academic understanding but also ignited curiosity, creativity, and a sense of wonder. The activity proved to be both educational and inspiring, instilling in students the realization that mathematics is not confined to books—it is a living, dynamic force that builds bridges, designs cities, and measures the very world we inhabit.

Measuring More Than Distances: Inspiring Young Minds to Shape Tomorrow: November 10, 2025

Pre-Board Examination - I 2025

November 10 to November 20, 2025

From 10th to 20th November 2025, Adani Public School, Mundra successfully administered the first Pre-Board Examination for Classes X and XII. Conducted in alignment with the academic calendar, the examinations provided students with a real-time simulation of Board conditions, enabling them to gauge preparedness and refine strategies for the forthcoming final assessments.

A distinctive feature of this year's Pre-Board was the centralized distribution of identical question papers across all Adani Schools in India, ensuring standardization, fairness, and uniform benchmarking throughout the Adani Education Network. The examinations were conducted under stringent supervision, with students reporting punctually and invigilators meticulously enforcing all directives issued by the school and the central examination committee. The papers reflected the latest curriculum and Board patterns, allowing learners to critically evaluate their strengths and areas requiring improvement.

Faculty members collaborated seamlessly in distributing papers, supervising sessions, and fostering an atmosphere of discipline, impartiality, and academic integrity. The smooth execution of the Pre-Board underscored the institution's commitment to rigor, excellence, and consistency. This academic milestone empowered students to identify gaps, consolidate knowledge, and build confidence ahead of the final Board examinations. Overall, the Pre-Board Examination at APS Mundra was methodically organized and successfully executed, exemplifying the school's dedication to scholastic distinction and uniformity across the Adani group of schools.

APS Mundra Triumph at Khel Mahakumbh Volleyball Competition: November 12 , 2025

On 12th November 2025, Adani Public School, Mundra proudly participated in the prestigious Khel Mahakumbh Volleyball Tournament, competing in both the Under-14 and Under-17 categories. Demonstrating exceptional skill, teamwork, and resilience, the teams delivered a stellar performance that culminated in securing the First Position in both categories.

This remarkable achievement stands as a testament to the students' unwavering dedication, disciplined training, and indomitable spirit. Their victory not only brought laurels to the institution but also reflected the school's commitment to fostering excellence in sports alongside academics. The triumph at Khel Mahakumbh has ignited a renewed sense of pride and motivation among the young athletes of APS Mundra, inspiring them to pursue greater heights in the field of sports and beyond.

By Imagination We Rise, By Innovation We Lead: November 12 , 2025

An enlightening Orientation Session on Digital Creativity and AI Competence was conducted in the technologically equipped New AV Room of APS Mundra by Mr. Azharuddin from Adobe Express. The program united the enthusiastic learners of Classes V–VII with the student leaders of Classes IX & XI, entrusted to mentor their juniors under the inspiring motto “By the students, for the students.” The session empowered students to transform imagination into tangible creations—storybooks, comic books, short films, animated videos, and digital projects—while a live demonstration showcased how digital tools can creatively solve real-world challenges.

The Project Plan for **December 2025 – April 2026** is as follows:

- ✓ Continuous mentorship through structured sessions and curated resources
 - ✓ Monthly project submissions qualifying for the Level 1 Certificate of Creativity
 - ✓ Building a robust creative foundation for the next academic year
- Student Leaders – Creativity Ambassadors (Classes IX & XI):
- ✓ Establish peer-to-peer learning networks
 - ✓ Guide and mentor younger students with empathy and collaboration
 - ✓ Undergo Adobe training to design magazines, newsletters, and event collaterals
 - ✓ Cultivate leadership qualities of responsibility, sensitivity, and creative stewardship

By Imagination We Rise, By Innovation We Lead: November 12 , 2025

Creativity Club Functioning: Open for one hour on each/alternate Saturdays, offering:

- Doubt resolution and technical assistance
- Sharing best practices
- Guidance for project creation and refinement

The overarching goal is for every student to publish their first creative work by the program's culmination. The orientation unveiled the vision and mission of the Creativity Club, igniting enthusiasm among learners and instilling responsibility in ambassadors.

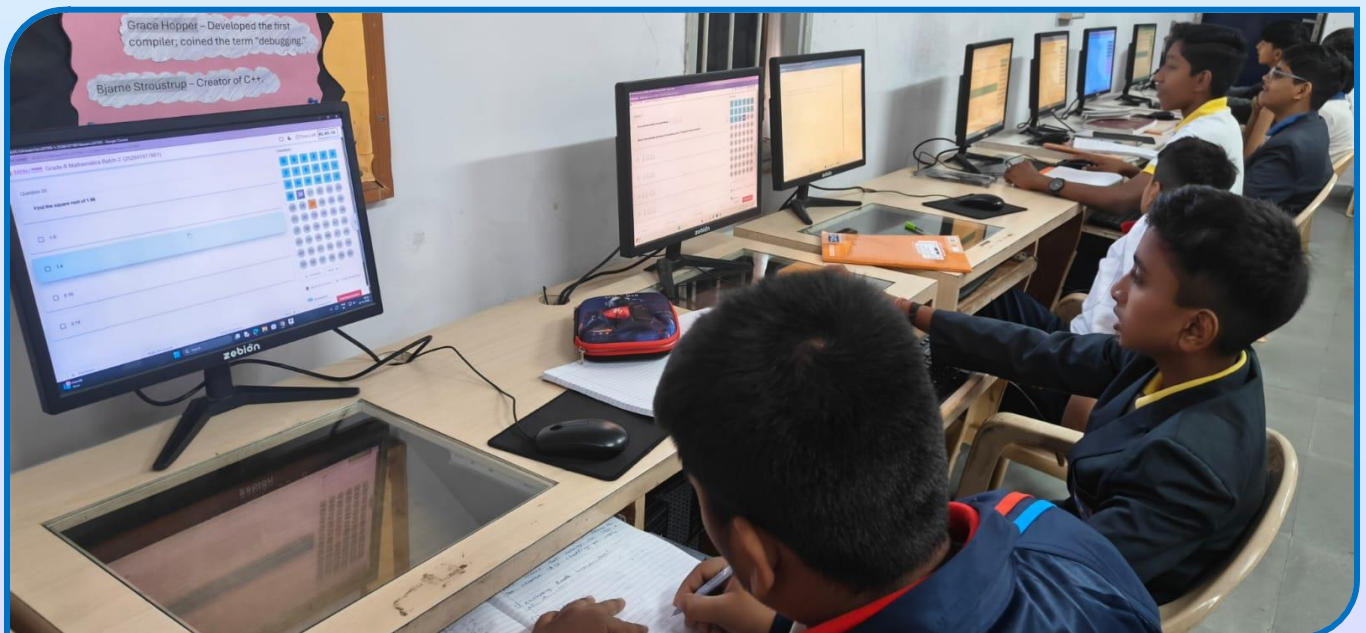

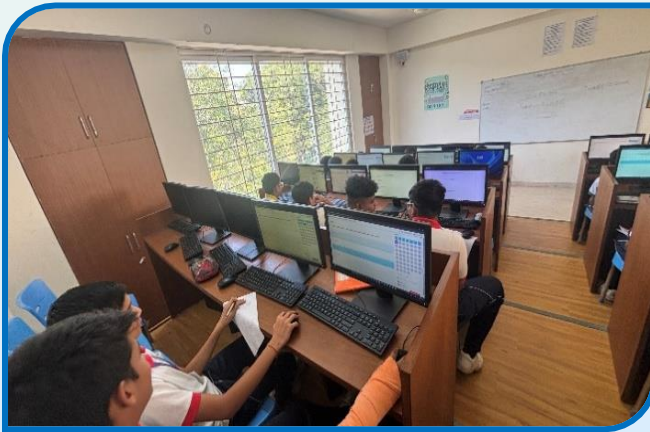

By Imagination We Rise, By Innovation We Lead: November 12 , 2025

Assessing Futures, Affirming Excellence: SAFAL Examination : November 12 & 17 , 2025

Adani Public School, Mundra successfully conducted the SAFAL (Structured Assessment for Analyzing Learning) examination for Grade IX on 12th and 17th November 2025. Initiated under the aegis of CBSE, SAFAL was designed to assess not only academic proficiency but also the application of knowledge, critical thinking, and problem-solving skills.

The examination was executed with precision and integrity by the IT Department, reflecting APS Mundra's commitment to academic rigor and holistic growth. Students engaged with thoughtfully curated questions that tested conceptual clarity, reasoning, and real-world application. The assessment served as a benchmark of scholastic excellence, offering educators valuable insights while empowering learners to identify strengths and areas for improvement. This milestone reaffirmed APS Mundra's vision of nurturing resilient, future-ready learners.

LogIQids Olympiad: November 12, 2025

On 12th November 2025, Adani Public School, Mundra proudly hosted the LogIQids Olympiad, a prestigious platform designed to ignite logical reasoning, analytical thinking, and problem-solving skills among students. The event epitomized the school's unwavering commitment to nurturing intellectual curiosity and fostering academic excellence. The Olympiad witnessed enthusiastic participation from students across multiple grades, each demonstrating remarkable zeal and preparedness. The carefully curated question sets challenged learners to apply reasoning, critical analysis, and creativity—skills essential for thriving in the modern knowledge era.

The examinations were conducted with discipline, precision, and transparency, ensuring fairness and credibility. Teachers and invigilators collaborated seamlessly to create an atmosphere conducive to focused performance, while students engaged with determination and resilience. This academic endeavor not only provided a benchmarking opportunity for students to evaluate their strengths but also instilled confidence and sharpened their aptitude for competitive examinations. The Olympiad reinforced the importance of logical thinking as a cornerstone of holistic education. Overall, the LogIQids Olympiad 2025 at APS Mundra was a resounding success—an inspiring celebration of intellect, discipline, and the pursuit of excellence.

LogIQids Olympiad: November 12, 2025

Illuminating Intellect, Inspiring Infinite Possibilities

- NSO: November 13 , 2025

Olympiad examinations at the school level represent prestigious competitive assessments, meticulously aligned with the academic curriculum yet conducted by independent organizations of national repute. These examinations provide students with invaluable exposure to the spirit of competition, equipping them with resilience and intellectual preparedness to confront the multifaceted challenges of future academic and professional pursuits.

Among these, the National Science Olympiad (NSO) stands as a beacon of inquiry, challenging young minds to unravel scientific mysteries and explore the boundless frontiers of knowledge. Organized annually by the Science Olympiad Foundation (SOF), the NSO evaluates the innate aptitude and scientific acumen of students from Grade 1 to Grade 12. In consonance with the vision of the National Education Policy (NEP), Olympiads are promoted as instruments of holistic development, cultivating problem-solving, analytical reasoning, and critical-thinking skills essential for 21st-century learners. The NSO is structured as a two-tier examination. Students who qualify at Level 1 advance to Level 2, where merit ranks and accolades await the most distinguished performers.

This year, a commendable 306 students from APS Mundra appeared for the examination, held on 13th November 2025 within the school premises during regular academic hours. The examination was conducted seamlessly under the vigilant supervision of the faculty.

Children's Day Celebration by Tulsi House November 14 , 2025

On 14th November, 2025, Adani Public School, Mundra celebrated Children's Day with immense excitement and joy. The programs were organized by the students of Tulsi House and captured every premise of childhood while honouring the birth anniversary of Pandit Jawaharlal Nehru, who considered children to be a nation's real strength and future.

The celebration commenced with a serene and prayerful morning assembly, setting a tone of reverence and gratitude. The hosts extended a warm welcome to the honourable dignitaries—Director Ms. Ami Shah, Principal-cum-Director Mr. Hemant Kumar Sharma, Respected Vice-Principal Dr. Renu Patidar, coordinators, teachers, and students. The assembly opened with a soul-stirring rendition of "Mohe Lagi Lagan Guru Charanan Ki," which imbued the atmosphere with peace, devotion, and thankfulness.

A heartfelt greeting note followed, commemorating Children's Day and reflecting upon the ideals of Pandit Jawaharlal Nehru, emphasizing the importance of nurturing young minds with love, care, and opportunities. The cultural highlight was a vibrant dance performance to the lively song "Chhota Bachcha Samajh Ke Humko Na Samajhna Re." The students enthralled the audience with their expressive artistry, flawless coordination, and confident stage presence, evoking resounding applause.

The program then transitioned into the Prize Distribution Ceremony, where achievers in academics and extracurricular pursuits were felicitated. This recognition served as a powerful motivation for students to strive for excellence. The celebration culminated with inspiring remarks from the Principal, urging students to dream ambitiously, learn continuously, and uphold respect. The children of Tulsi House delivered a gracious Vote of Thanks, acknowledging the collective efforts of leaders, mentors, and participants. Finally, the assembly concluded with the National Anthem, instilling a profound sense of patriotism, unity, and pride.

Children's Day Celebration by Tulsi House November 14 , 2025

Vice Principal Mam's Birthday Celebration November 14 , 2025

On 14th November 2025, Adani Public School, Mundra resonated with joy, reverence, and heartfelt admiration as the institution celebrated the birthday of its esteemed Vice Principal, Dr. Renu Patidar, during the morning assembly. The occasion was graced by the presence of Ms. Ami Shah, Director APSM, and Principal-cum-Director, Mr. Hemant Kumar Sharma, whose leadership continues to inspire the school community.

The celebration unfolded with warmth and elegance. Coordinators, staff members, and students extended their heartfelt wishes, presenting a beautifully crafted birthday card—a symbolic token of affection that encapsulated cherished memories and milestones achieved under Dr. Patidar's guidance. Adding a melodious dimension to the event, the school choir rendered a soul-stirring birthday tribute. Their harmonious voices echoed gratitude and admiration, setting the tone for a celebration imbued with pride, respect, and emotional resonance.

Echoes of Wisdom, Blossoms of Youth: A Cherished Day at APS Mundra: November 14 , 2025

On 14th November 2025, Adani Public School, Mundra, was privileged to host the revered senior citizens from Vandil Vandana Old Age Home, Gundala. The visit, coinciding with Children's Day, became a profound intergenerational exchange that blended wisdom with youthful curiosity.

The distinguished guests were warmly welcomed by the Principal – cum – Director , Mr. Hemant Kumar Sharma and the Vice Principal; Dr. Renu Patidar along with the Coordinators. The guests were escorted to various classrooms, where they engaged in heartfelt interactions with the students. Their narratives, rich with life experiences, values, and anecdotes, offered the young learners invaluable lessons beyond textbooks. The students, in turn, responded with enthusiasm, respect, and affection, creating an atmosphere of warmth and reverence.

This meaningful encounter not only fostered empathy and gratitude but also reinforced the importance of honoring elders as custodians of tradition and wisdom. The presence of the senior citizens transformed the day into a celebration of humanity, reminding all that education is incomplete without compassion and respect for generations past. The visit concluded with mutual joy, leaving behind cherished memories and inspiring reflections for both students and guests.

Echoes of Wisdom, Blossoms of Youth: A Cherished Day at APS Mundra: November 14 , 2025

APS Mundra Shines at Khel Mahakumbh Taluka Athletics: November 14 , 2025

On 14th November 2025, Adani Public School, Mundra proudly participated in the Khel Mahakumbh Taluka-level Athletics Competition held at Zarpara, showcasing the talent, discipline, and determination of its young athletes.

In the Under-14 Long Jump category, M. Sivani of Class VI-B delivered a commendable performance and secured the 3rd Position, reflecting her perseverance and sporting spirit. Similarly, in the Under-14 600-meter race, Harnoor Sodhi of Class VII-E exhibited remarkable endurance and confidence, earning the 3rd Position amidst strong competition.

These achievements stand as a testament to the students' dedication, resilience, and competitive excellence, bringing pride to APS Mundra and inspiring their peers to pursue athletics with equal zeal. The school community applauds their efforts, recognizing them as emerging champions whose determination transforms participation into accomplishment and accomplishment into legacy.

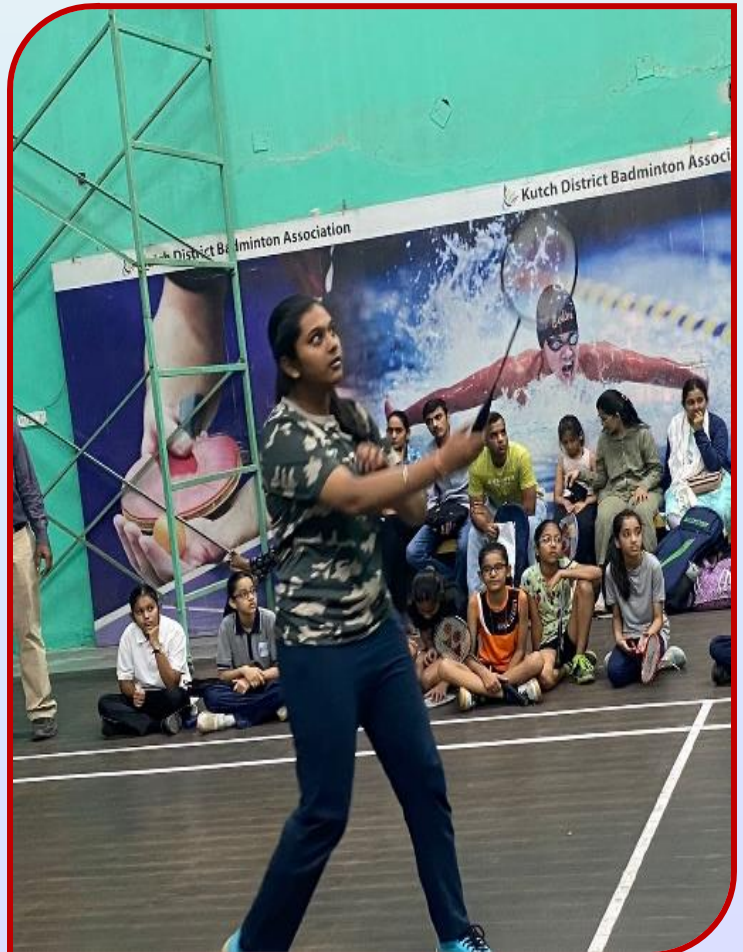

APS Mundra Triumph at KDBA – Khel Mahakumbh District Badminton: November 15 , 2025

On 15th November 2025, Adani Public School, Mundra proudly participated in the KDBA – Khel Mahakumbh District-level Badminton Competition held at Gandhidham, showcasing the talent, discipline, and determination of its young athletes in the Under-14 Girls category.

With remarkable agility and composure, Ms. Rumaisha Jeeva from Grade VI – F delivered a stellar performance, securing the 1st Position, while Ms. Divija Singla from Grade VIII - C exhibited commendable skill and perseverance to achieve the 4th Position amidst strong competition.

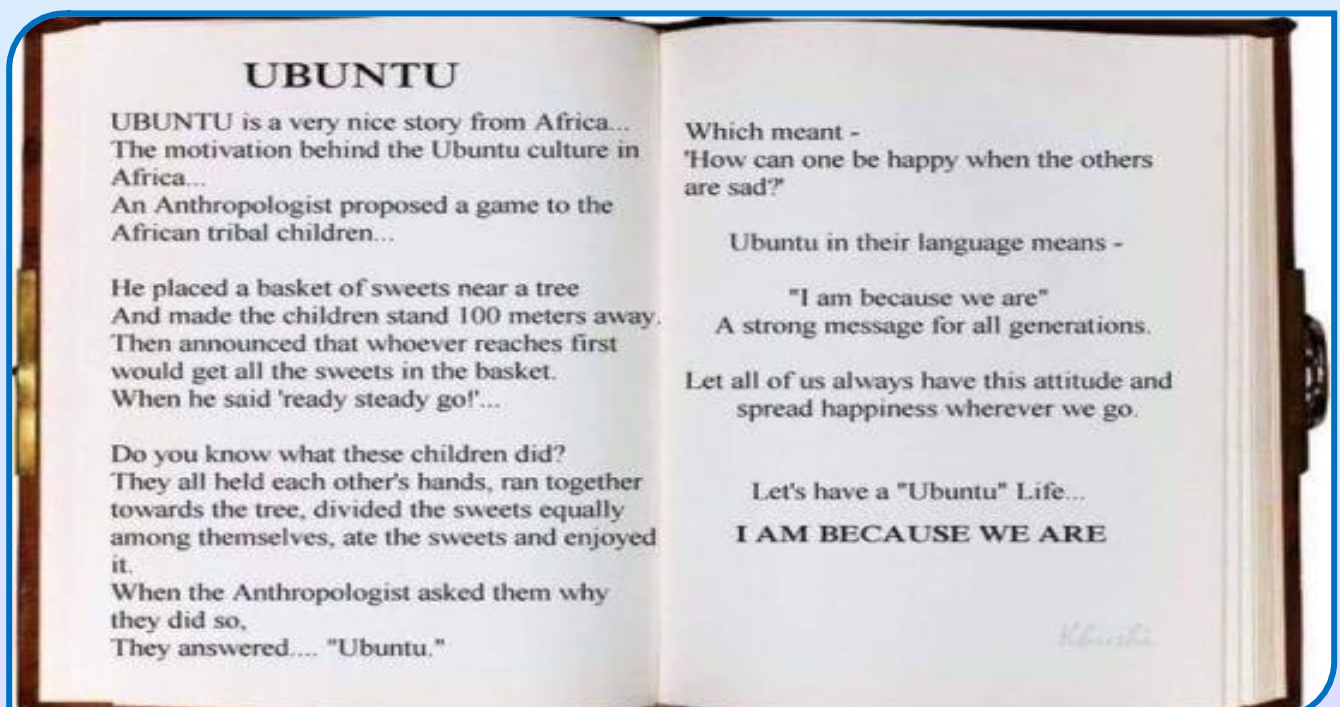

This outstanding accomplishment not only brought laurels to APS Mundra but also paved the way for the girls to represent the school at the State-level Championship, a testament to their dedication, resilience, and competitive excellence.

Teacher's Training Program on Mental Wellbeing: November 15 to 19 , 2025

Under the visionary leadership of Mr. Hemant Kumar Sharma, Principal-cum-Director, APS Mundra conducted an enlightening session dedicated to the mental well-being of educators. This initiative reflected the school's commitment to nurturing not only academic excellence but also the holistic health of its teachers—the true architects of learning.

The program empowered educators with strategies to manage stress, cultivate balance, and enhance creativity. A highlight was the "X or Y" simulation game, which revealed how perspectives and choices shape outcomes while strengthening teamwork, communication, and emotional intelligence. The session also explored the Three Circles of Life—Control, Influence, and Concern—offering a roadmap to resilience and clarity. The mantra "Compete with yourself, not others" inspired self-mastery and empathy, while reflections on collaboration and the African philosophy of Ubuntu underscored unity and shared responsibility. By investing in teacher well-being, APS Mundra reaffirmed its dedication to fostering a supportive, thriving, and excellence-driven environment.

Teacher's Training Program on Mental Wellbeing: November 15 to 19 , 2025

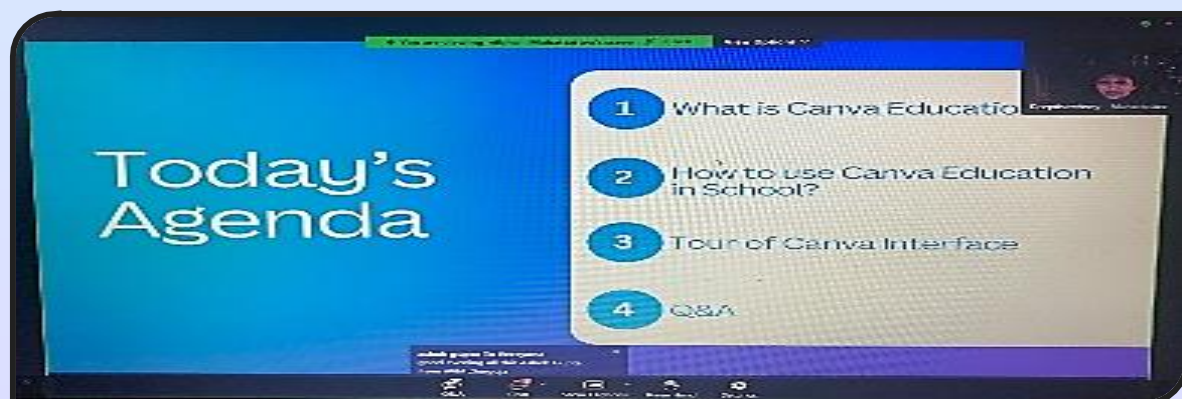

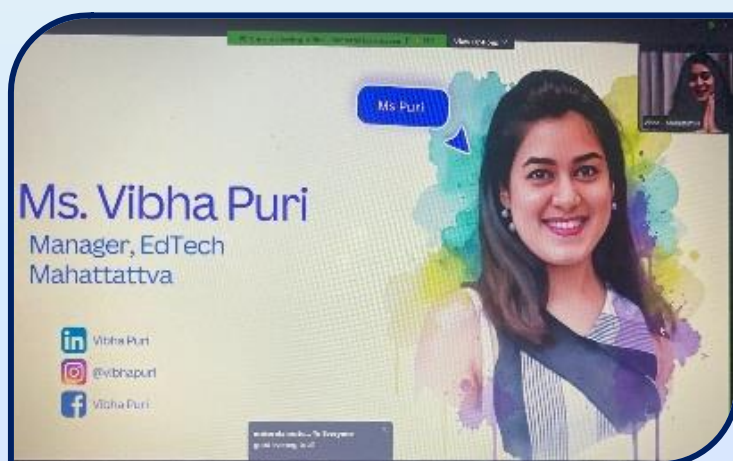

Creativity Empowered, Learning Reimagined

November 17, 2025

On 17th November 2025, an online training session on “Canva for Education” was organized for teachers of Adani Foundation schools across India, following the Foundation’s recent partnership with Canva that granted nationwide access to its digital learning platform. Teachers of APS Mundra were duly informed in advance by the IT Head to ensure active participation.

The one-hour session, conducted via Zoom, was led by Ms. Deepti Sawhney, CEO and Founder of Mahattattva, and Ms. Vibha Puri, Manager of EdTech at Mahattattva—Canva’s approved education partner. They introduced Canva as a dynamic tool for K–12 classrooms, demonstrating how it enhanced creativity, simplified lesson planning, and supported meaningful student learning. A detailed tour of the interface enabled teachers to explore templates, animations, collaborative features, and assignment creation.

The trainers emphasized Canva’s integration with 500+ educational apps and support for 100+ languages, making it a versatile platform for project-based learning, presentations, posters, and classroom resources. A video testimonial by Dr. Kavita Nagpal, Chief Academic Officer of Adani Foundation Schools, further encouraged educators to embrace Canva’s transformative potential. The session proved to be insightful and inspiring, motivating teachers to integrate digital creativity into pedagogy and empowering students to express ideas with innovation.

Igniting Minds, Celebrating Excellence

November 18, 2025

On 18th November, 2025, Adani Public School, Mundra proudly unveiled the results of the Spell Bee® International Level-1 Interschool Competition (2025–26), a prestigious platform designed to nurture linguistic brilliance and empower young learners through the Strategic Language Enhancement Programme (SLEP). The announcement marked a moment of immense pride, reflecting the school's commitment in cultivating confident, articulate, and expressive students.

Highlights of Performance are as follows:

The competition witnessed enthusiastic participation, with students excelling across multiple categories:

- ❖ Accomplishment Category – 2 Interschool Toppers, who achieved perfect scores and brought laurels to APS Mundra.
- ❖ School Toppers – 4 students distinguished themselves as the highest scorers in their respective grades.
- ❖ Class Toppers – 5 students earned recognition for their outstanding performance within their classes.
- ❖ Achievement in Distinction – 5 students showcased commendable mastery, securing scores above 75%.
- ❖ Merit Plus – 7 students demonstrated excellent performance, scoring between 56%–74.99%.
- ❖ Merit Category – 26 students displayed consistent effort and secured scores between 40%–55.99%.
- ❖ Appreciation Category – 2 students were acknowledged for their fair performance and encouraged to strive further.

In total, 57 students participated, with APS Mundra celebrating every achievement as a step forward in the journey of language excellence. This competition was not merely an assessment of spelling and vocabulary but a celebration of resilience, discipline, and intellectual growth. By engaging in nine rigorous rounds—including phonetics, comprehension, and sentence formation—students honed critical skills that will serve them in both academic and personal spheres. The results underscored APS Mundra's dedication to fostering a culture of excellence and preparing learners for global platforms.

Health Checkup for Students:

November 18, 2025

From 18th November 2025 onwards, Adani Public School, Mundra conducted a comprehensive Health Checkup Programme across all grades, reaffirming its commitment to holistic well-being. The medical team, accompanied by Staff Nurse Ms. Munira Khoja, carried out systematic examinations covering vital health parameters, ensuring meticulous records and parental guidance.

The initiative was executed with discipline, precision, and empathy, fostering awareness of preventive healthcare and resilience among students. Teachers coordinated seamlessly with the medical staff, ensuring smooth execution and active participation.

Empowering Minds, Elevating Futures

November 21 , 2025

It is a matter of immense pride that the IIT Madras Online Courses for the August 2025 Batch were successfully concluded at Adani Public School, Mundra, marking another milestone in our pursuit of academic excellence. This accomplishment reflects both the dedication of our students and the institution's unwavering commitment to advanced learning.

A total of 48 students enrolled in the programme; 28 qualified for the final examination, while 20 were ineligible under IIT Madras' rigorous criteria. From the eligible group, 15 earned Completion Certificates and 13 received Participation Certificates, affirming their perseverance, discipline, and engagement throughout this demanding academic journey. The successful completion of this batch exemplifies APS Mundra's resolve to nurture intellectual growth, resilience, and professional enrichment, while the recognition from IIT Madras enhances the academic credentials of our learners and paves the way for future accomplishments.

Illuminating Minds, Inspiring Futures: Mrs. Sudha Murty's Visit to APS, Mundra: November 22 , 2025

On 22nd November 2025, Adani Public School, Mundra had the privilege of hosting Mrs. Sudha Murty, whose presence illuminated the campus with wisdom and warmth. The program was graced by eminent dignitaries including Executive Director APSEZ; Mr. Rakshit Shah, CEO Adani Ports & APSEZ Ltd; Mr. Sujal Shah; and Principal AVMB; Mr. Ashutosh Thakkar, alongside the school leadership team. In her captivating address, Mrs. Murty explained the essence of the story *Lazy Portado*, emphasizing that at different stages of student life, expectations evolve, yet academics remain the cornerstone of growth. She highlighted the sacred triad of influences in a person's life—Matru Devo Bhavah (mother), Pitru Devo Bhavah (father), and Acharya Devo Bhavah (teacher)—underscoring their irreplaceable roles in shaping character. With the metaphor of sugarcane being crushed and transformed into pure white sugar, she illustrated how students undergo challenges that refine them into resilient individuals. Drawing from her own childhood, she narrated how her teacher, Shri Raghavendra Vernekar, once challenged her to solve a mathematics problem without pen and paper, instilling in her the art of mental calculation and sharp memory. She reflected that a teacher's duty is to discover and nurture the latent potential in students, often beyond what parents may perceive, and reminded learners that a teacher's strictness is akin to medicine—always for their betterment.

Mrs. Murty further shared how her mother's encouragement to write 25 lines daily for a year groomed her into an author, reinforcing the message that when parents insist on something, it is invariably for the child's benefit. Towards the end of her speech, she invited the students to ask questions, creating an atmosphere of vibrant dialogue. The young learners eagerly engaged, posing thought-provoking queries.

Illuminating Minds, Inspiring Futures: Mrs. Sudha Murty's Visit to APS, Mundra: November 22 , 2025

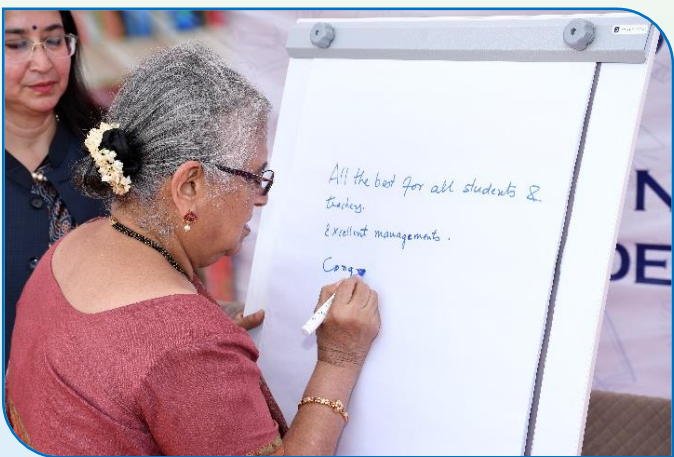

Mrs. Murty responded with candor and grace, offering insights that blended humility with profound wisdom. Adding a memorable touch to the occasion, she also signed copies of her landmark 50th book, *The Magic of the Lost Earrings*, for the school, leaving behind a treasured legacy for the students. She urged students to embrace resilience, hard work, and capacity-building in this competitive world, reminding them that success is never handed easily but earned through perseverance. Her speech concluded with a profound call to both teachers and parents to instill these values in children. The visit left an indelible impression on the young minds of APS Mundra, inspiring them to value academics, respect their mentors, and strive for excellence with gratitude and determination.

Illuminating Minds, Inspiring Futures: Mrs. Sudha Murty's Visit to APS, Mundra: November 22 , 2025

Echoes of Freedom, Voices of Pride

November 26 , 2025

Adani Public School, Mundra commemorated 150 illustrious years of India's national song, Vande Mataram through a special assembly organized by Class V-E. The programme radiated patriotic fervor and highlighted the timeless cultural and historical significance of Bankim Chandra Chattopadhyay's iconic composition. The assembly opened with a gracious welcome and a soulful prayer rendered by the student choir, followed by reflections on patriotism and a thought for the day that emphasized the transformative power of positivity. A special presentation traced the legacy of Vande Mataram in India's freedom struggle, deepening students' understanding of its enduring relevance. The celebration culminated in a spirited group rendition of Vande Mataram, with voices rising in unison and the atmosphere reverberating with national pride. The event, meticulously planned and evocative, enriched cultural awareness and strengthened collective identity.

Where Numbers Meet Brilliance – IMO Olympiad :November 28 , 2025

The International Mathematics Olympiad (IMO) was conducted with distinction at Adani Public School, Mundra on 28th November 2025, in collaboration with the Science Olympiad Foundation (SOF). This prestigious examination served as a dynamic platform for students from Grade I to XII to exhibit their mathematical acumen and engage in healthy competition with peers across levels.

An impressive 583 students participated, demonstrating enthusiasm and intellectual rigor. The Olympiad, structured in two levels, assessed both conceptual understanding and advanced problem-solving abilities, thereby cultivating analytical thinking, precision, and resilience among learners. The examination was executed with utmost efficacy and integrity, under the vigilant supervision of the faculty. The IMO not only tested aptitude but also provided a transformative opportunity for students to challenge themselves, refine essential skills, and gain exposure to competitive examinations—preparing them for future academic and professional pursuits.
