On a Jungle Safari : Big Like, Small Like

This week, our little explorers went to the discovery station 'Big like, Small like', where they met amazing wild animals. Children compared the big elephant, tall giraffe and small rabbit, discovering sizes in a fun way. Like true jungle adventurers, they observed, sorted and shared their thoughts with excitement. The activity filled the room with curiosity, laughter, and the spirit of learning in the wild!

*"Like brave jungle explorers,
our children discover big ideas
in small ways."*

Bubbly Nursery

Literacy Skills

Introduction of Letter Vv

Our little learners participated in the letter Vv arrived like a cheerful visitor, bringing a world of new words to explore. Children traced its shape in the air, saying /v/ like the sound of a buzzing van. With pictures and actions, they discovered words like van, vase and vegetables. Learning the letter Vv became a vibrant and joyful adventure for our little learners!

Bubbly Nursery

Mathematical Skills

Roll and Count

Little learners had great fun in the Roll and Count activity, turning numbers into an exciting game. They rolled the dice, counted carefully, and matched numbers with joyful confidence. Each roll brought smiles, learning and a chance to practice counting skills. Through play and exploration, children discovered that maths can be fun and magical!

Bubbly Nursery

GLIMPSES OF THE WEEK

Tracing Letters U and V

Children practised tracing the letters U and V to develop early writing skills. This activity helped improve fine motor control, hand-eye coordination, and letter recognition. Kids following the lines, learned the correct formation of each letter while building confidence in pre-writing skills. The activity was engaging and encouraged focus, patience, and readiness for independent writing.

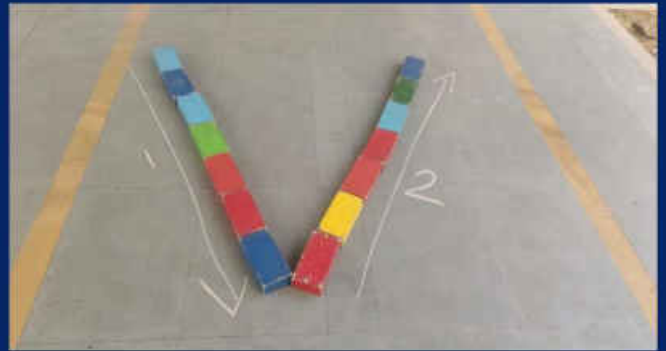

Bubbly Nursery

PLAY GYM MOVING AND GROOVING

Moving on Letter V

Tiny explorers enjoyed the 'Moving on Letter V' activity with excitement and energy. They walked, traced, and voiced the /v/ sound while exploring V words around them. Through movement and play, the letter V came alive in a fun and meaningful way. This active learning helped our little learners remember V with joy and confidence!

V IS FOR VAN THAT GOES VROOM-
VROOM,
V IS FOR VASE WITH FLOWERS IN
BLOOM.
WE LEARNED THE SOUND AND
TRACED IT TOO,
HAPPY LITTLE LEARNERS SHOUTING
"V" - WOHHOO!

GLIMPSES OF THE WEEK

Making Letter V with Play Dough

Our little stars joyfully enjoyed shaping the letter V using colourful play dough. They rolled, pressed, and carefully formed the lines to make the letter. This fun activity helped improve their fine motor skills and letter recognition. Learning became joyful as they explored, created and discovered through play.

*Little hands rolled and shaped with glee,
Making the letter V as happy as can be!*

Bubbly Nursery

GLIMPSES OF THE WEEK

Finding Shapes in Kinetic Sand

Children explored kinetic sand to discover and create different shapes. They pressed, molded and shaped the sand using their little hands and tools. This sensory activity enhanced their creativity, observation and fine motor skills. Learning shapes became fun and exciting through touch and play.

Bubbly Nursery

GLIMPSES OF THE WEEK

Veterinary

Our little stars were introduced to the role of a Veterinary Doctor through an engaging screen presentation. They learned how veterinarians care for animals, keep them healthy, and show kindness to every creature. The visuals helped students understand the importance of loving and protecting animals. The session inspired curiosity and compassion in our little learners towards the animal world.

“A VETERINARY DOCTOR IS A TRUE FRIEND WHO CARES FOR ANIMALS WHEN THEY CANNOT SPEAK.”

Bubbly Nursery

GLIMPSES OF THE WEEK

Tracing Patterns

Little hands explored different patterns with joy and excitement. They traced horizontal, curved and zigzag lines carefully and confidently. This fun activity helped improve their fine motor skills and pencil control. Learning became playful as children discovered how lines create beautiful patterns.

“When children trace with joy, learning happens naturally.”

Bubbly Nursery

GLIMPSES OF THE WEEK

Power Sheet

Our little stars engaged enthusiastically in their book work, exploring new concepts with focus and curiosity, they carefully traced, colored, and completed activities, strengthening their fine motor and thinking skills. Guided by the teacher, each child participated actively and shared their learning with confidence. The classroom was filled with concentration, creativity and the joy of learning together.

"Focused minds and busy hands make learning meaningful."

Science Fiction Day

This week our little learners adventured into the exciting world of imagination and discovery while celebrating Science Fiction Day. Our little explorers built their own miniature volcanoes and watched in awe as they erupted with bubbling lava. The vibrant reaction made them curious to learn how real volcanoes work on our planet Earth. Through this hands-on-activity students learned about simple science reaction and understood the concept of volcanoes and eruption.

Literacy

Introduction of Syllables

This week our little learners had a lots of fun learning syllables. They enthusiastically clapped, tapped and counted the beats of the words. From simple names to fun classroom objects, they learned how words are broken down into smaller sound parts. This fun activity helped improve their listening skills, speech and confidence. Learning was music to their ears.

Mathematical Skills

Skip Counting by 2's and 5's

This week our little learners had a great time exploring the exciting world of skip counting with joyful jumps. They learned to count in 2's and 5's – skipping numbers like little math champs from counting 2 fingers to 5 fingers, every activity turned into a fun learning adventure. This activity helped them to build strong number sense, improve counting speed and accuracy.

GLIMPSES OF THE WEEK

Ten Frame- Subtraction Game

This week our little champs had a fantastic time playing the Ten Frames Subtraction Game with counters and colourful frames and disc. They happily took away disc and discovered how subtraction works in a fun hands-on-way. This activity helped them understanding the concept of how many left with confidence.

Jovial Jr. KG

GLIMPSES OF THE WEEK

Dinosaur Feet Race

Our tiny tots had a roaring good time in the dinosaur feet race. They stomped, balanced and raced with big smiles. This exciting activity helped them improve their balance, coordination and gross motor skills.

Jovial Jr. KG

GLIMPSES OF THE WEEK

Magic Circle Science Fiction

This week our little learners stepped into world of magical science fiction as they explored the magical experiment with simple kitchen ingredients like turmeric powder, detergent and vinegar. Our tiny scientists were amazed to see colours change and reactions happen right before their eyes. This activity developed curiosity and questioning skills.

Jovial Jr. KG

GLIMPSES OF THE WEEK

Alphabet Game – Vowels and Consonants

Our little champs had fun playing the Alphabet Bean Bag Game. They picked colourful letter bean bags and sorted them into vowels and consonants tray. Through this fun movement activity students recognized vowels and consonants.

Jovial Jr. KG

GLIMPSES OF THE WEEK

Dinosaur Nest Race

This week our little dino champs had a roaring good time in the dinosaur nest race. They carefully passed the eggs to their teammates and counted them aloud as they filled their nest. This activity helped them develop teamwork, counting skills, hand-eye-coordination and listening skills.

Jovial Jr. KG

GLIMPSES OF THE WEEK

Dinosaur Museum

This week our little learners enjoyed an exciting Dino museum. They discovered tiny fossils and exciting dino facts. Through this fun activity students developed curiosity, observation skills and confidence while learning prehistoric life.

कविता गायन -

इस सप्ताह कक्षा में शिक्षिका द्वारा हिंदी में बच्चों को कविता गायन गतिविधि करवाई गई। इस गतिविधि का उद्देश्य बच्चों में भाषा के प्रति रुचि विकसित करना, उच्चारण में सुधार करना तथा आत्मविश्वास बढ़ाना था। शिक्षिका ने बच्चों को कविता का सही उच्चारण, लय और भाव के साथ कैसे प्रस्तुत करना है, यह समझाया और स्वयं उदाहरण देकर मार्गदर्शन किया। बच्चों ने बड़े उत्साह और आनंद के साथ कविता का अभ्यास किया और एक-एक करके कविता का गायन प्रस्तुत किया। कविता गायन गतिविधि से बच्चों में हिंदी भाषा के प्रति प्रेम विकसित हुआ।

Concept

Rotation and Revolution

Students learned about the Earth's revolution around the sun and how it causes day and night and different seasons. They explored these concepts through an engaging hands-on activity, which helped them understand better. The children observed, asked questions and participated actively in the classroom.

Learning by doing makes knowledge brighter

Mathematics

Ascending and Descending Order

This week in Math-o- Logic, children learned about ascending and descending order. They practiced arranging numbers from smallest to biggest and biggest to smallest on the slate. The students showed great interest and did very well in their practice. They enjoyed the activity and participated actively in class. This helped them understand number order in a fun and easy way.

Dazzling Jr. KG

Language Skill

Write Sentences on Flip Book

Students learned about the planets in our solar system. They wrote simple sentences about each planet in the flipbooks they made in the classroom. The activity helped them learn in a fun and creative way while improving their writing skills. The children enjoyed decorating their flipbooks with drawings and colours. It was a joyful and engaging learning experience for everyone.

Thank you

Dear Parents,

We believe that learning becomes more meaningful when children experience it from real-life masters. We would love to invite you to be a part of our school's vision, "Parents as Masters" initiative. If you have a special talent, hobby, profession, or life skill—such as art, music, dance, storytelling, yoga, cooking, science experiments, craft, gardening, technology, or any other area—you are most welcome to share it with us. Your contribution will inspire children, enrich their learning journey, and strengthen the bond between school and parents. Kindly contact the Coordinator for more details.
