Bubbly Nursery

Concept

Seasons

Our little stars learned about the concept of seasons like summer season, winter season and monsoon season. Seasons are nature's way of changing its mood—sometimes sunny, sometimes rainy, sometimes cool. Each season brings its own magic, like blooming flowers, splashing puddles, or cozy sweaters. They remind us that change can be beautiful and full of new adventures.

"Spring smiles, summer shines, autumn glows, winter whispers."

Bubbly Nursery

Literacy Skills

Introduction of Letter Aa

Our little learners learned the letter Aa in a fun and exciting way. It was the first step into our alphabet journey. Children learned its sound and how it begins many simple words. We explored examples like apple and ant to make learning exciting. Through activities and repetition, everyone practiced saying and recognizing A. It was a happy and engaging start to building early reading skills!

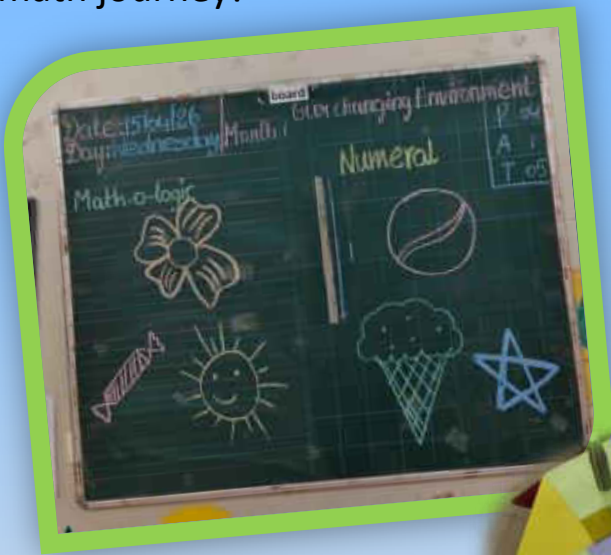

Bubbly Nursery

Mathematical skills

Introduction of Numeral 1

Our little learners had great fun learning numeral 1. It was their very first step into the world of numbers. Numeral 1 stands tall and proud, just like a single shining sun in the sky. Children learned that 1 means one—one apple, one star, one friend. Through fun counting and activities, they enjoyed recognizing and saying the number. It was a joyful beginning to their exciting math journey!

*"Learning starts
with just one
number—1!"*

GLIMPSES OF THE WEEK

Introduction of Circle Shape

Our little learners discovered the circle, a shape that goes round and round with no corners at all. It looks like the sun in the sky and a wheel that rolls along the road. Children explored circles in everyday objects and enjoyed spotting them around. We traced, drew and had fun making perfect round shapes. It was a joyful way to learn how simple shapes are all around us!

"Round and round goes the circle, full of wonder everywhere."

PLAY GYM MOVING AND GROOVING

Moving on Letter A

Our tiny tots joyfully explored the letter A by walking on its shape made with wooden bricks. They carefully stepped along the lines, learning its form in a fun and active way. This hands-on activity helped them recognize and remember the letter A easily. Laughter and excitement, as they moved along the path. It was a playful and creative learning experience for all!

“WALKING THE LETTER A
MAKES LEARNING
ACTIVE AND EXCITING.”

GLIMPSES OF THE WEEK

Tracing Numeral 1 and Letter Aa on Slates

Our little stars practiced tracing the numeral 1 and the letter A/a through a fun and guided activity. They carefully followed the lines on slates, improving their writing skills. This hands-on practice helped them recognize both the number and letter with confidence. Smiles and focus filled the classroom as they traced again and again. It was a wonderful step in building early writing and learning skills!

“Trace, learn,
and shine with
number 1 and
letter A.”

GLIMPSES OF THE WEEK

Matching Colour and Shapes

Our little stars participated in an exciting matching activity with colours and shapes. They joyfully matched different shapes with their correct colours using observation and thinking skills. This activity helped improve their visual recognition and concentration. Laughter and excitement filled the classroom as they explored and learned together. It was a fun and engaging way to strengthen early learning skills!

"Matching colours and shapes makes learning bright and fun."

Sense of Hearing - Ears

They explored how ears help us listen to different sounds around us like music, voices and nature sounds. Through fun activities and games, children learned to identify soft and loud sounds, and enjoyed listening carefully. It was amazing to see their excitement as they discovered how special our ears are in helping us communicate and understand the world around us.

“Listening is
the key to
learning “

Literacy

Introduction to Letter 'B'

This week, our little learners were introduced to the bright and beautiful Letter "B". Children explored the sound and shape of "B" in a fun and engaging way. They practiced tracing the letter, recognizing words like Ball, Boy, Banana and Butterfly. They enjoyed interactive activities that made learning joyful and meaningful. Through storytelling, phonic rhymes and creative crafts, our young stars strengthened their phonics skills and built confidence in identifying the "B" sound in everyday life.

Concept

Photosynthesis

This week, students have learned about photosynthesis—how plants make their own food using sunlight, water, and air. They also did a leaf activity, where they learned how leaves make food and how stomata help the plant take in carbon dioxide. They are also observing a growing plant to understand this process better.

Little scientists learning how plants make food

Mathematics

Even and Odd Number

Students explored the concept of odd and even numbers using number cards and beads. They placed the beads according to the numbers given, helping them visually understand the difference between odd and even numbers. Through this hands-on activity, children learned to identify and classify numbers as odd or even in a fun and engaging way.

Dazzling Sr. KG

Language Skill

Letter S

Students were actively engaged in learning the uppercase letter 'S'. Through flashcards and picture association, they identified letter sounds and connected them with familiar words. This interactive session helped them build vocabulary, improve listening skills and early reading confidence in a fun and engaging way.

GLIMPSES OF THE WEEK

Knobless Cylinders

Students are engaged in the “Knobless Cylinders” activity, where they learned the concepts of ascending and descending order using cylindrical blocks. By arranging the cylinders from smallest to largest and vice versa, children develop their understanding of size, sequencing and comparison. This hands-on activity also enhances their concentration, fine motor skills, and logical thinking.

ग वर्ण का परिचय

शिक्षिका द्वारा इस सप्ताह कक्षा में हिंदी वर्णमाला के ग वर्ण का परिचय विभिन्न गतिविधियों, वस्तुओं और चित्रों के माध्यम से दिया गया। जिसके अंतर्गत ग से शुरू होने वाले कई प्रकार के शब्दों का भी परिचय दिया गया, जैसे — ग से गमला, गुड़िया, गाजर, गाय, गज आदि। सभी छात्रों ने बड़े उत्साह के साथ ग वर्ण का सही चित्रों के साथ मिलान किया।

Thank you

Dear Parents,

We believe that learning becomes more meaningful when children experience it from real-life masters. We would love to invite you to be a part of our school's vision, "Parents as Masters" initiative. If you have a special talent, hobby, profession, or life skill—such as art, music, dance, storytelling, yoga, cooking, science experiments, craft, gardening, technology, or any other area—you are most welcome to share it with us. Your contribution will inspire children, enrich their learning journey, and strengthen the bond between school and parents. Kindly contact the Coordinator for more details.
