Concept

Health Helpers – Doctor, Nurse, Dentist

Children enjoyed role play as doctors, nurses and dentists using toy medical tools. They learned about health, hygiene and helping others. The activity improved their confidence and communication skills.

Bubbly Nursery

Literacy Skills

Introduction of Letter Xx

Our little learners participated children explored the exciting letter “X” with fun and curiosity! They learned its sound /ks/ and discovered special words like X-ray and Xylophone. Through actions, air tracing and interactive activities, little learners enjoyed making and recognizing the letter X. The classroom was full of excitement as children actively participated and shared their ideas.

Bubbly Nursery

Mathematical skills

Pick and Count Numerals 1 to 9

Children enjoyed a fun counting activity using colorful objects. They picked items and matched them with the correct numbers from 1 to 9. This hands-on activity helped improve their number recognition, counting skills and focus. Children actively participated and learned in a joyful way.

“PICKING AND MATCHING NUMBERS
1 TO 9 MADE LEARNING FUN AND
EXCITING!”

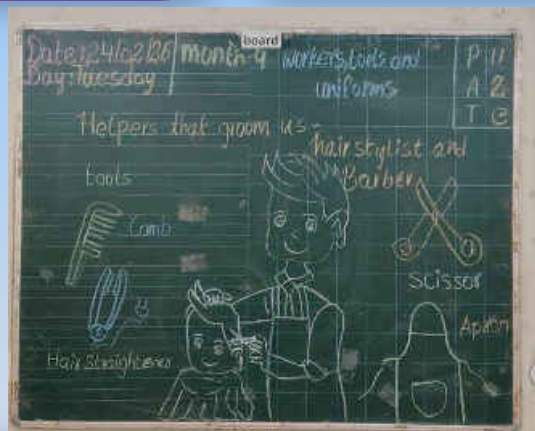

Bubbly Nursery

GLIMPSES OF THE WEEK

Barber and Hair Stylist Tools Sorting

Our little learners enjoyed a fun sorting activity on grooming tools. They picked items and placed them in “Yes” and “No” groups, learning what a hairstylist uses. This playful activity boosted their thinking, confidence, and understanding of community helpers.

Bubbly Nursery

PLAY GYM MOVING AND GROOVING

Pick and Count Peg Boards

Little hands were busy picking colourful pegs and placing them carefully on the boards. Through this fun activity, children learned to count, match, and improve their hand-eye coordination. Each peg placed was a step toward building focus, patience and fine motor skills. Learning became joyful as numbers came alive through play and exploration!

"Our kids explored colors and patterns with confidence on the peg board!"

GLIMPSES OF THE WEEK

Pretend to be a Palaeontologist

Our tiny learners became little palaeontologists and enjoyed a fun dinosaur dig activity. They carefully searched and cleaned hidden fossils with great excitement. It was a joyful hands-on activity that made learning fun and adventurous.

"Tiny hands, big discoveries — our kids explored the world of dinosaurs like real paleontologists!"

Bubbly Nursery

GLIMPSES OF THE WEEK

Line up the Blocks

Our little learners turned into smart organizers! They enjoyed lining up the colorful blocks in the correct order with excitement and focus, children arranged the blocks neatly, learning about order, sequence, and teamwork along the way. A playful activity that brought smiles while building smart thinking and organizing skills.

**“Focus, balance,
and careful
hands — that’s
how our block
line stands!”**

Bubbly Nursery

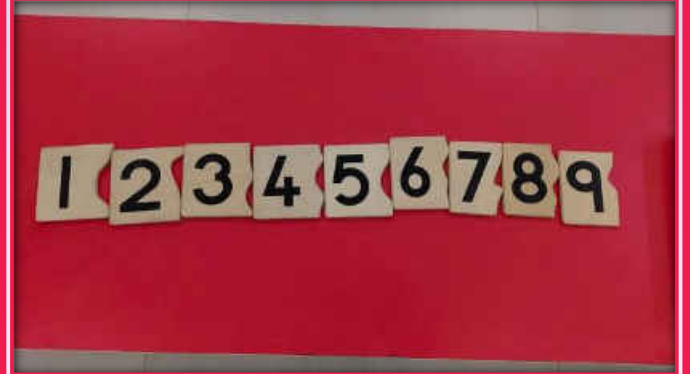

GLIMPSES OF THE WEEK

Arrange Numerals 1 to 9 in Order

Our little star created a number train! One by one, numbers from 1 to 9 joined the train in the correct order. With excitement and focus, each number found its perfect place, making learning fun and joyful. It was a playful journey where numbers lined up and smiles grew bigger!

“Little hands arranged big numbers from 1 to 9 with bright smiles!”

Bubbly Nursery

GLIMPSES OF THE WEEK

Tracing Letters on Wooden Slates

Little learners explored letters on wooden boards by tracing them with pencils. Tiny hands, big focus, and happy smiles made learning fun while improving writing skills and letter recognition!

"Learning becomes magical when hands and minds work together."

Bubbly Nursery

GLIMPSES OF THE WEEK

Tangram Puzzles

Our tiny tots explored colorful tangram shapes and created beautiful patterns with excitement. This fun activity boosted their creativity, thinking skills, and shape recognition in a joyful way.

“Little hands, big imagination –
Tangram magic in action!”

GLIMPSES OF THE WEEK

Visit to Sick Room

Our little explorers visited the sick room and discovered how care and kindness help us heal. They saw the tools doctors use and learned why hygiene keeps us strong and happy. Curious minds asked questions and understood that health is our greatest treasure. It was a wonderful journey of learning to care for ourselves and others.

“Learning about health is the first step to staying bright, active, and strong.”

Bubbly Nursery

GLIMPSES OF THE WEEK

Visit to Salon

Our little stars enjoyed a fun visit to a salon. They observed how haircuts are done and learned about grooming tools. The children watched with excitement as combs, scissors and dryers worked their magic. It was a wonderful way to understand community helpers and their roles. It was a day full of smiles, learning, and new experiences!

Culmination Day

Our Culmination Day was a joyful dive into the magical Water World! Each child confidently spoke about a different water animal, bringing the ocean to life with their words and expressions. From the mighty whale to the tiny seahorse, the students shared amazing facts with enthusiasm and pride. The class turned into a beautiful underwater journey filled with creativity, learning and confidence. Parents and teachers were delighted to see the little explorers, while they were speaking about marine animals. It was a wonderful celebration of knowledge, imagination and teamwork.

“CULMINATION DAY IS NOT THE END, BUT A CELEBRATION OF EVERY STEP OF LEARNING.”

हिंदी

“ज्ञ” वर्ण का परिचय

इस सप्ताह बच्चों ने “ज्ञ” वर्ण से बनने वाले शब्द जैसे ज्ञानी, ज्ञानेन्द्रिय, ज्ञानकोष और ज्ञानालय सीखे। इससे बच्चों को नए शब्दों का ज्ञान मिला और उनका शब्द भंडार बढ़ा। इस गतिविधि से उन्होंने नए वर्ण को खुशी-खुशी सीखते हुए अभ्यास किया।

आज सीखा 'ज्ञ', कल बनेंगे ज्ञानी –
यही है हमारी सीखने की कहानी।”

Bubbly Nursery

हिंदी

“ज्ञ” वर्ण का गतिविधि

इस सप्ताह नन्हे विद्यार्थियों ने “ज्ञ से ज्ञानी” चित्र में अपनी कल्पना के रंग भरे। उन्होंने अलग-अलग रंगों का उपयोग करते हुए चित्र को सुंदर बनाया। शिक्षक ने उन्हें सही रंग चयन और अक्षर पहचान में सहायता दी। यह गतिविधि बच्चों के लिए आनंददायक और ज्ञानवर्धक रही।

GLIMPSES OF THE WEEK

Penguin Waddle Race

This week our little learners enjoyed the Penguin Waddle Race. In this fun activity, children waddled like penguins while balancing a balloon, just like a penguin carrying its egg. This playful race helped them improve their balance, coordination and motor skills.

Jovial Jr. KG

GLIMPSES OF THE WEEK

Stingray Fish

This week our little learners had fun making a Stingray Fish Craft. Through this creative activity, children explored the amazing world of sea animals while using their imagination and tiny hands. This activity helped them develop fine motor skills, creativity, focus, and hand-eye coordination.

Jovial Jr. KG

GLIMPSES OF THE WEEK

Feed the Hungry Shark

This week our little learners enjoyed the exciting 'Feed the Hungry Shark' activity. Through this fun game, children practiced counting, improved their fine motor skills, and learned number recognition while feeding the hungry shark. It was a joyful way to learn through play.

Jovial Jr. KG

GLIMPSES OF THE WEEK

Culmination Day

This week, our little learners explained The Lost World of Dinosaur Fossils and the amazing Living Creatures: Insects. They discovered how dinosaurs lived long ago and explained that fossils are the clues scientists use to learn about them. They also explained tiny insects around us and their importance in nature.

Concept

Invention of Radio

Students learned about radio and its invention, including who invented it in earlier times and why it was created. They explored the uses of radio and understood how it works. Students also discovered how sound is converted into signals, how these signals travel through the air as waves, and how another radio receives those waves and changes them back into sound.

Tuning into the Wonders of Communication

GLIMPSES OF THE WEEK

Thank you

Dear Parents,

We believe that learning becomes more meaningful when children experience it from real-life masters. We would love to invite you to be a part of our school's vision, "Parents as Masters" initiative. If you have a special talent, hobby, profession, or life skill—such as art, music, dance, storytelling, yoga, cooking, science experiments, craft, gardening, technology, or any other area—you are most welcome to share it with us. Your contribution will inspire children, enrich their learning journey, and strengthen the bond between school and parents. Kindly contact the Coordinator for more details.
